Heating Piping & Air Conditioning

INDEX FOR 1959
Vol. 31, Nos. 1-12

. . . for Consulting Engineers • Mechanical (Heating, Piping, and Air Conditioning) Contractors • Engineers with Plants and Big Buildings

"Most Informative, Most Authoritative, Most Quoted"

HEATING, PIPING & AIR CONDITIONING regularly runs more pages of editorial material on the subjects of heating, piping, and air conditioning in industrial, commercial, institutional, and public buildings than any other publication. During 1959, for example, there were over 1300 editorial pages devoted to important articles, news, equipment developments, a complete Directory Section, etc. . . . . By actual count, articles in HPAC are "most quoted" in the leading text-books and hand-books in the field. . . . HPAC's articles are written by authorities actively engaged in the field served.

For convenient use, the articles indexed have been classified and subclassified under the major headings and under subheadings. They have also been classified as general, fundamental, and by types of plants and buildings. There is also an index by authors.

[Heating, Piping & Air Conditioning is indexed regularly by Engineering Index, Inc., and Industrial Arts Index, and is micro-filmed by University Microfilms.]

Heating, Piping & Air Conditioning is published monthly by Keeney Publishing Co., 6 N. Michigan Ave., Chicago 2, Ill.

Heating, Piping & Air Conditioning

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

January-December 1959—Volume 31, Nos. 1-12

This index does not include Equipment Developments; Recent Trade Literature; Meetings & Conventions; Who's What — departments appearing regularly in each issue. The You'll Want to Know pages in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering heating, piping, and air conditioning equipment for industry and large buildings.

SUBJECT INDEX

AIR CONDITIONING

General

AEC Issue Amendments on Radiation Exposure ..... June 39
AGA Nominates Officers; Annual Meeting Oct. 5-7 ..... September 51
API Report on Improved Equipment Given at Meeting ..... July 44
ARI to Certify Unitary Heat Pumps ..... December 51
ARI Directory of Unit Conditioners Now Available ..... February 30
ARI Disbands Section on Room Air Conditioners ..... July 42
ARI Figures Show Gains in Central Air Conditioning ..... September 53
ARI To Issue New Directory of Certified Units ..... March 29
ARI Rating Data Directory Available ..... August 46
ARI Unitary Shipments Up 39 Percent ..... December 50
ASTM Water Treatment Award to L. D. Betz For Committee Service ..... August 45
Air Condition New Missile Subs June 40
Air Conditioned Cars Speed Salesmen on Calls ..... July 40
Air Conditioned Sidewalk Aids Department Store Sales ..... November 44
Air Conditioning Aboard Ship Reduces Seasickness ..... August 40
Air Conditioning Conference to Include "Engineer's and Contractor's Days" ..... September 50
Air Conditioning Conference Stresses Proper Maintenance ..... August 39
Air Conditioned Disneyland Subs Keep Tourists Comfortable ..... November 45
Air Conditioning Popularizes "World's Fastest Sport" ..... October 42
Air Conditioning Seen as Essential to Printing Industry ..... July 138
Air Distribution System Permits Office Flexibility ..... August 41
Air Force Missile Test Program Depends on Piping, Air Conditioning ..... December 47
Alexander, T. C., New President of RACCA ..... June 45
All-Time High in Construction Continues Rise ..... July 39
Aluminum Louver Sections Provide Intakes for Individual Units ..... July 40
Atomic Submarines Depend on Air Conditioning ..... November 40
Avery, L. T., Joins Editor Board ..... January 38
Bidding and Insurance Booklets Available from AGC ..... August 44
Big Panel System for California Building ..... January 36
Bouve, W. L., Named ARI Products Secretary ..... October 43
Brass Mill Imports Pose Threat to Industry Labor ..... June 42
Building Contracts Continue to Climb ..... May 34
Buyer Rescinds Contract—Then What? by John F. Morrissey ..... August 107
CBRA Releases "Ominous" Report on Post-War Brass Mill Product Imports ..... July 41
CEC Covers Wide Agenda At Annual Board Meeting ..... July 37
Carnegie Tech Scholarship Competitions Now Open ..... November 44
Central Air Conditioning To Serve New York Theaters ..... December 50
Central System Air Conditioning Is Trend in New Manhattan Apartment Construction ..... August 44
Change Orders, Incomplete Records Cost Contractor Half His Claim, by William Hurd Hillyer ..... January 162
Chase Manhattan Bank Cooling Capacity Leader ..... September 54
Chicago Architects Favor Separate Bids ..... April 32
Cisler, W. L., Nominated ASME President ..... October 42
Compressor Body Shipments Show Year End Rise ..... December 33
Compressor Body Shipments Up ..... November 42
Conference Session a Feature of ARI's Atlantic City Show ..... October 141
Construction Contracts Continue to Grow ..... August 42
Construction Contracts Decline Due to Steel Shortage ..... November 40
Construction Contracts Reach New High ..... October 43
Construction Contracts Set All-Time Record ..... September 54
Construction Costs Now Give Greater Value ..... June 41
Construction Costs Up 1 Percent; to Continue Climb ..... June 41
Consulting Engineers Council Attacks "Free" Engineering at Semi-Annual Meeting ..... December 49
Contract Must Clearly Define Title, by William Hurd Hillyer ..... March 142
Contractor Ekes Out Close Decision, by William Hurd Hillyer ..... April 134
Contractor Stresses Overhead's Importance ..... August 41
Contractor's Neglect Costs Him Plenty, by William Hurd Hillyer ..... February 138
Cooling Towers Save Money in Auditorium Installation ..... February 30
Cooling Tower Standard Available: NFPA ..... August 44
Court To Be Oldest Air Conditioned Building in World ..... April 33
Dangers of Faulty Installation Broaden Contractor's Obligations, by John F. Morrissey ..... November 138
Design New Office Duct Systems as Part of Structural Columns ..... November 44
Diffuser-Fixtures Cool Computers ..... April 33
Directory of Addresses for Engineering Societies, Associations ..... May 121
Do You Appreciate Depreciation? by Irving Elbaum ..... January 150
Draft-Free Air Conditioning Vital to Lab Operation ..... October 45
Drops "Refrigeration" from Contractor's Name ..... October 42
Elect New ASHRAE Officers at First Annual Meeting—R. C. Cross Replaces A. V. Hutchinson As Executive Secretary ..... August 41
Electronic System Controls Solar Heat Pump Job ..... January 34
Engineering Societies Directory Now Available; Lists Staff Personnel ..... August 45
Engineers Must Be Prepared to Fill Tomorrow's Top Executive Jobs ..... June 130
Fenner, William E., and Charles Y. Proffitt Form New Engineering Firm ..... August 45
First Centrifugal Refrigerating Machine Retired After 36 Years of

Service ..... March 31
First Engineer Named to Chicago Landmark Commission, H. J. Scharres ..... December 51
Fleisher, Walter L., Dies at 78 ..... May 32
46 Companies Sign ARI Contracts for Unitary Certification Program ..... June 44
French Engineer to Visit U. S. Lab Facilities ..... November 43
Future Building Continues to Gain ..... April 30
Future Building Contracts Continue Upward Trend ..... March 27
Gases Oxidized by Catalyst To Purify Submarine's Air ..... January 36
Gear Urban Planning To 2000 A.D. ..... January 36
Good Attendance At 14th Heating and Air Conditioning Exposition ..... March 31
Gruman, Jr., Lloyd B., Resigns National Post for New York MCAA Position ..... May 32
HPAC Directory Section Coming in January ..... December 48
Heat Pump Costs Assessed by Utility In Philadelphia ..... February 33
Hold Up Your End of the Bargain — Or Be Sued for Nonfulfillment, by William Hurd Hillyer ..... June 126
Honor Stewart E. Lauer, K. B. Thorndike at Annual ARI Dinner ..... June 44
Hospital System Features Air Filtration ..... March 32
How Underground Air Conditioning Aids Bomber Production ..... December 52
Hydronic Heating Sales Show Continued Sharp Rise ..... April 31
Industrial Construction Gains Predicted ..... September 53
Job Health Conference Attracts 3000 ..... May 31
Job Health Congress Set For July 25-29, 1959 ..... February 33
Joint Industry Program Committee Approves Clear Specification Resolution ..... July 43
LA Arena Air Conditioning Poses Distribution Problems ..... May 33
Largest U. S. Heat Pump System Installed in New Printing Plant ..... October 124
Letter *From* The Editor ..... January 13
Letter *From* The Editor ..... February 13
Letter *From* The Editor ..... March 13
Letter *From* The Editor ..... April 19
Letter *From* The Editor ..... May 11
Letter *From* The Editor ..... June 13
Letter *From* The Editor ..... July 11
Letter *From* The Editor ..... August 13
Letter *From* The Editor ..... September 11
Letter *From* The Editor ..... October 13
Letter *From* The Editor ..... November 11
Letter *From* The Editor ..... December 13
Low Noise Level Designed Into Airport Hotel System ..... August 44
MCAA Appoints Thomas J. Ryan Executive Secretary ..... September 51
MCAA Elects New Officers; Honors H. M. Porter ..... June 37
MCAA Rejects Merger; Treats Temporary Heat ..... June 38
Management People Must Have Feel for Things Technical ..... May 34
March Construction Continues Climb ..... June 43
Martin, Marcel R., Named to ARI Engineering Staff ..... July 44
Merchandise Mart Adds to Air Conditioning ..... November 42
Minneapolis Engineering Firm Takes New Name ..... May 30
Model Shows How Big Building Air Conditioning Works ..... October 41
Must Allow for Sun Heat Effect When Planning a Building ..... March 135
Navy Contracts for Experimental Thermoelectric Air Conditioner ..... October 45
New Church Installs Air Conditioning ..... September 51
New Contracting Firm Formed in Cleveland ..... June 43
New Municipal Building Uses Heat Pump System ..... October 44
New Officers for Northern California RACCA ..... April 33
New Pipefitter Apprentice Instruction Manual Available ..... October 43
1959: A 'Better' Business Year ..... January 126
1960 Predicted Good Year for Business ..... December 52
No Health Threat Offered by Present Radiation Level ..... July 39
Offer Tech Writing Correspondence Course ..... September 54
Oral Agreement with Building Owner Leads Contractor into Court Battle, by John F. Morrissey ..... October 133
Owner's Failure to Prove Negligence Saves Contractor in Warranty Case, by John F. Morrissey ..... December 103
Papel Cooling, Heating, Goes Into New Building ..... September 52
Panel Disagrees on 'Or Equal' Clause in Specifications ..... June 42
Photographic Control Panel Aids Heating, Air Conditioning Operation ..... October 44
Pipefitter Apprentices Vie in Annual Contest at Purdue ..... September 49
Poor Maintenance by Owners: The Bane of Our Reputation, December, 1958 — discussion on by Lee P. Hynes ..... January 112
Predict Building Volume To Double in 10 Years ..... March 28
Predict Heavier Industrial Instrumentation Activity in 1959 ..... February 31
Predict Record High for New Building in Current Year ..... July 44
Promote Room Air Conditioners May 17-24 ..... May 34
'Pros' Negative Ions Important Health Factor ..... February 115
Radio Controlled Street Lights Have Forced Air Cooling ..... January 34
Record Breaking Construction Volume Seen for 1959 ..... February 29
Rockefeller Center Air Conditioning Capacity to Be Increased ..... August 46
Rooftop Units Supply Supermarket Heating, Air Conditioning Needs ..... December 48
'Scientists Make It Known, Engineers Make it Work' ..... August 46
See Nuclear Energy As Air Conditioning Power Source ..... April 31
Set Air Force Meeting on Air Conditioning for July ..... July 40
Solar Future Predicted For Heating, Cooling ..... March 29
Standards Set by ARI For Heat Transfer ..... February 33
Standards Set For Yard, Pound, Grain ..... February 33
Store Continues Business 'As Usual' During Air Conditioning Installation ..... August 42
Study Foreign Markets for Air Conditioning ..... October 44
Thermoelectric Research Begun at Battelle ..... March 31
Thermoelectric Research Inaugurated for Navy ..... July 40
'Tis Folly, To Be Unwise,' by Samuel R. Lewis ..... July 119
Too Many Cooks May Botch the Job, by William Hurd Hillyer July 132
To Promote Hydronic Heat for Big Buildings' ..... January 37
12 Centrifugal Eags Support Army's Pentadoms ..... June 44
Two Contracts, Mechanics' Lien Spell Trouble for Subcontractor, by John F. Morrissey ..... September 124
274 Separate Console Units Air Condition New Dormitories at Offutt Air Force Base ..... June 42
2 Panels Control Comfort in New Chase Bank Building ..... May 31
Two Separate Systems Serve New Music Library ..... August 46
Two Stage Heat Pump Serves New Office Building ..... August 42
Two 236 Ton Absorption Refrigeration Machines To Air Condition Research Center Throughout ..... August 115
UA Apprentice Contest, Instructor Training Course Set for August ..... June 38
UA Pipe Fitter Apprentice Contest To be August 9-14, 1959 February 31
U. S. Commerce Secretary Urges Metric Conversion ..... June 39
U. S. Construction to Set New Record in 1960 ..... December 51
Unofficial Definition of Comfort ..... March 135
Use of Chlorine in Wood Cooling Towers Condemned by Redwood Association ..... July 39
Wash Big Missiles With Clean Air During Tests ..... January 33
Water Tunnel Helps Study of Fan Design Characteristics ..... April 30
Weather Bureau Reports Discomfort Index ..... April 30
Well Water To Cool New Bank Condensing Units ..... April 34
What Are the Qualifications for Becoming a Consulting Engineer? — Before Hanging Shingle, Aspiring Consultant Needs 8 Prerequisites, by Robert H. Emerick ..... January 114
What Are the Qualifications for Becoming a Consultant Engineer? — Must Develop 3 Basic Qualities: Integrity, Ability, Salesmanship, by Harry J. Scharres January 114
'When Winter Came, This Utopia Dissolved,' by Samuel R. Lewis ..... March 145
Which Should It Be — Closed or Open Specifications? ..... November 39
Wide Work Range Sought for Electronic Computers ..... July 44

Fundamental

Air Conditioning: 'An Infant at the Threshold of a Glorious Future' by Charles V. Fenn ..... March 122
Air Force Conference Highlights, Air Conditioning Operation and Maintenance — (HPAC Engineering Data File) ..... September 131
Air Force Conference Highlights Air Conditioning Operation and Maintenance, September, 1959 — discussion on by J. Donald Krocker ..... October 93
Air Force Conference Highlights Air Conditioning Operation and Maintenance, September, 1959 — discussion on by P. N. Vinther ..... November 88
Almighty Dollar is Cause of Many Poor Air Conditioning Systems — Case Histories, by C. T. Baker ..... March 151
A New Low In What Not To Do When Designing Air Conditioning — Case Histories, by C. T. Baker ..... March 150
Control Air Conditioning Noise In the Advanced Planning Stage, by

Clayton H. Allen ..... October 103
Corrective Water Treatment Prevents Scale Deposit, Corrosion in Water Cooled Air Conditioning Systems, by J. L. Thornley August 112
Cramped Quarters Will Make Maintenance a Real Chore — Case Histories, by C. T. Baker ..... March 152
Discuss Aluminum Fin, Copper Tube Coil Applications ..... March 135
Don't Overlook the Heat Pump" ..... March 126
Environmental Control Key to Success of the Manned Earth Satellite — (HPAC Engineering Data File), by Herbert H. Christman ..... October 151
Evaporative Condensers Guilty, Too, by Lester T. Avery ..... December 100
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings with Architectural, Structural, Electrical, and Plumbing Items, by John W. Habjan ..... January 153
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 — discussion on by H. J. Scharres February 90
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 — author discusses comments of H. J. Scharres, February, 1959 ..... April 94
Here's a New, Quick Way To Select Chilled Water Coils, by Bruno P. Morabito and William Conroy ..... January 156
Here's a New, Quick Way to Select Chilled Water Coils, by Bruno P. Morabito and William Conroy, January, 1959 — discussion on by W. B. Buck ..... February 90
How to Design Refrigerant Piping For Refrigerants 12 and 22 April 120
How to Fight a Slugger, Lester T. Avery ..... June 103
Many Ways to Use Heat Pump Cycle, by E. R. Ambrose ..... August 90
Many Ways to Use Heat Pump Cycles, by E. R. Ambrose, August, 1959 — discussion on by Roger W. Haines ..... November 90
New Formula Predicts Performance of Counterflow Cooling Towers for Air Conditioning Duty, by William T. Lyons ..... October 134
New Nomograph Converts Head Into Its Equivalent Pressure, F. Caplan ..... April 123
New Outer Space Cabin Lab To Supply Valuable Data for Design of Environment for Survival of Tomorrow's Space Pioneers, by L. N. Becklund ..... September 110
Recommended Loudness Limits for Noise From Heating, Air Conditioning Equipment, Howard C. Hardy ..... November 129
See Unlimited Market Potential for Big Building Air Conditioning ..... March 121
Some Noise Control Fundamentals — (HPAC Engineering Data File) ..... July 141
Study Air Cooled Condenser Maintenance Problems ..... August 40
"Sweat Control" Nomograph Speeds Insulation Thickness Calculations, by Charles F. Gilbo ..... March 143
Take a Good Look at Your Condenser, It May be a Wolf in Sheep's Clothing, by Lester T. Avery ..... November 131
The Consulting Engineer's Responsibilities and Fees: Two Points of View ..... November 112
Tricks and Trends — Mistakes of the 20's Are Still Being Made, by Lester T. Avery ..... March 129
UA Instructors Embark on 5-year Plan at Sixth Annual Apprentice Instructor Training Course, to Keep Pace with Needs of HPAC Industry ..... September 91
U. S. Government Study Proves Air Conditioning Boosts Work Output ..... June 112
What Are Flow Characteristics of Butterfly Valves, Dampers? June 94
What Price Speed? by Lester T. Avery ..... May 113
Who's Responsible for What in the Design and Installation of Air Conditioning Systems in Big Buildings? ..... July 116
Who Wants a Frosted Coil? by Lester T. Avery ..... April 109

Cleaning, Dust Collection

Air Pollution Control Demands Engineering Analysis, Design — (HPAC Engineering Data File) ..... February 140
Air Pollution, Its Causes and Cures, by George S. Reichenbach, Jr. ..... January 161
Air Pollution, Waste Control Is Individual Plant Project ..... April 131
Brookhaven Hospital-Lab Demands Close Temperature, Humidity Control, by Arthur C. Babcock ..... May 135
Complete Petroleum Air Pollution Study In Los Angeles ..... March 30
Develop New Filter For Radioactive Particle Collection ..... March 28
Four Sets of Conditions Demand Unusual and Flexible System to Meet Variety of Temperature, Humidity, Dust Control Requirements in New Electro-Mechanical Aircraft Components Plant, by Boris M. Lemos ..... June 100
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — discussion on by Lester S. Ries ..... August 76
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — author discusses comments, made by Lester S. Ries, August, 1959 ..... September 80
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan ..... April 114
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — discussion on by J. A. Millard ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — author replies to comments by J. A. Millard, July, 1959 ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — discussion on by Daniel M. Roop ..... August 74
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — author replies to comments by Daniel M. Roop, August, 1959 ..... August 74
How to Control Gaseous Emissions to Abate Air Pollution — (HPAC Engineering Data File) December 111
How to Control Particulate Emissions to Abate Air Pollution — (HPAC Engineering Data File) ..... June 137
Industrial Ventilation: Disposable Air Filters Save Plant $50,000 in Installation Costs, by C. F. Mowrey ..... September 122
Industrial Ventilation: Proper Inplant Environment Essential To Worker Comfort, Product Quality ..... August 102
L. A. Industry Spend $70 Million for Smog Control Equipment August 42
Missile Plant Has Both Packaged Units and Built-up Systems to Serve Needs of Different Processes, by Joseph N. Sabatini July 109
Need Particulate Sampling Device: Armed Forces ..... July 43
New Air Pollution Law Explained to Ventilation Men ..... April 29
Select Stainless Steel Piping, Ducts for New Plutonium Fabrication Facility ..... December 79
Set Standard Ratings for Electronic Air Cleaners ..... August 122
Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant, by W. Joseph Stanley and Stanford E. Clock ..... February 101

Cooling

Brookhaven Hospital-Lab Demands Close Temperature, Humidity Control, by Arthur C. Babcock ..... May 135
Case Histories from a Consulting Engineer's Files, by C. T. Baker ..... August 100
Choose Central Plant, Buried Piping To Air Condition Three-Area Campus, by Irwin Isaacson, Jr., and William R. Pitcairn, Jr. April 101
Contractor Observes "Quiet" In Installing Hospital Cooling, by R. Lester Spitzley and W. A. Brown ..... August 108
Cooling Towers Save Money In Auditorium Installation February 30
Cut Shopping Center Cooling Costs Through Central Air Conditioning ..... December 103
Design Electronic Data Processing Installations for Reliability, by Richard W. Goes ..... September 118
Design Jet Bomber Environment for Wide Temperature, Pressure Extremes, by Amos B. Hartley ..... September 102
Design Jet Bomber Environment for Wide Temperature, Pressure Extremes, by Amos B. Hartley, September, 1959 — discussion on by E. P. Heckel ..... December 70
Fan-Coil Units' Flexibility Is Key to Heating, Cooling Plush Apartment, by George A. Innes ..... December 84
Four Sets of Conditions Demand Unusual and Flexible System to Meet Variety of Temperature, Humidity, Dust Control Requirements in New Electro-Mechanical Aircraft Components Plant, by Boris M. Lemos ..... June 100
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — discussion on by Lester S. Ries ..... August 76

Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — author discusses comments made by Lester S. Ries, August, 1959 ..... September 80
Group Many Central Built-Up Systems to Heat, Ventilate New Chrysler Plant, by N. J. Taylor ..... January 140
HPAC Services Meet Peak Demands of New Soft Drink Bottling Plant ..... November 110
Here's New, Quick Way To Select Chilled Water Coils, by Bruno P. Morabito and William Conroy ..... January 156
Here's New, Quick Way to Select Chilled Water Coils, by Bruno P. Morabito and William Conroy, January, 1959 — discussion on by W. B. Buck ..... February 90
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan April 114
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — discussion on by J. A. Millard ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — author replies to comments by J. A. Millard, July, 1959 ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — discussion on by Daniel M. Roop ..... August 74
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 — author replies to comments by Daniel M. Roop, August, 1959 ..... August 74
How to Air Condition a Manhole ..... February 128
How to Design Controlled Environment for Best Greenhouse Growing Conditions, by Lewis Smith, December, 1958 — discussion on by Arthur J. Hess ..... January 111
How to Design Controlled Environment for Best Greenhouse Growing Conditions, by Lewis Smith, December, 1958 — author replies to comments by Arthur J. Hess, January, 1959 on this article ..... January 112
How HTHW Meets Heating Needs of This New School, by Anton Krapek ..... August 88
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — discussion on by George Applegate, Jr. ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 author replies to comments by George Applegate, Jr., October, 1959 ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 discussion on by John S. Blossom ..... September 77
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — author replies to comments by John S. Blossom, September, 1959 ..... September 77
LSU's New Orleans Campus to Have Outdoor Central Cooling-Heating Plant, by Warren G. Moses ..... July 104
Missile Plant Has Both Packaged Units and Build-up Systems to Serve Needs of Different Processes, by Joseph N. Sabatini ..... July 109
Multiple Piping and Duct System Heats, Cools 10-Building Civic Center ..... March 130
New Apartment Building To Be Cooled By Central Fan-Coil System, by Lewis Smith ..... November 136
New Lab, IBM-Room Demand Close Temperature, Humidity Control ..... August 45
New Manhattan Apartments to Have Central Cooling ..... December 80
New Outer Space Cabin Lab To Supply Valuable Data for Design of Environment for Survival of Tomorrow's Space Pioneers, by L. N. Becklund ..... September 110
Outdoor Thermostats to Control 1710 Air Conditioning Units ..... July 129
Outline Specs for Test Chambers That Simulate Space Travel for Rockets and Missiles, by B. F. Rose, Jr. ..... January 121
Packaged Units Cool 33-Year-Old, 11-Story Office Building, by R. G. Hurstad ..... August 85
Piping Is Vital Lifeline in New Blood Fractionation Lab, by Anton Krapek ..... November 102
Reheating the Air Supply Is a Well-Proved Air Conditioning Process, by Samuel R. Lewis ..... May 131
Rooftop Air Conditioning Systems Keep Photo Supplies Fresh, by L. V. Quadrini ..... November 118
Shipboard Air Conditioning Design Is Based On Unusual Considerations, by Lewis Smith ..... October 114
Supply Fan Cannot Be Trusted To Draw Back Recirculating Air, by Samuel R. Lewis ..... January 155
30 Air Conditioning Systems Keep Drug Production Rolling, by George M. Bender ..... March 138
"'Tis Folly To Be Unwise," by Samuel R. Lewis ..... July 119
Unique Built-Up System Serves Exacting Temperature, Humidity Demands of Finicky Electronic Computers, by Ivan F. Norcross ..... February 113
Unique Control System Regulates Air Conditioning, Heating, by John F. Pink ..... January 130
Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant, by W. Joseph Stanley and Stanford F. Clock ..... February 101
Water Treatment Fights Acid In Skyscraper Cooling Water ..... March 80
"When Winter Came, This Utopia Dissolved," by Samuel R. Lewis ..... March 145
Year-Round Air Conditioning Brings Existing Office Building Up to Date, by Ronald L. Moore ..... September 127

Distribution, Ventilation

Air Distribution System Permits Office Flexibility ..... August 41
A Giant Step toward Standardization: SMACNA's Sheet Metal Duct Manual, by James H. Stiggleman ..... November 106
A New Standard For Ductwork Design, Installation: SMACNA's Sheet Metal Duct Manual, by James H. Stiggleman ..... December 92
Brookhaven Hospital Lab Demands Close Temperature, Humidity Control, by Arthur C. Babcock ..... May 135
Cite New Developments in Industrial Ventilation ..... June 40
Contractor Observes "Quiet" In Installing Hospital Cooling, by R. Lester Spitzley and W. A. Brown ..... August 108
Controlling 100 Percent Outdoor Air Systems with Electronic Controls, by C. James Busch ..... August 119
Design Electronic Data Processing Installations for Reliability, by Richard W. Goes ..... September 118
Design Jet Bomber Environment for Wide Temperature, Pressure Extremes, by Amos B. Hartley ..... September 102
Design Jet Bomber Environment for Wide Temperature, Pressure Extremes, by Amos B. Hartley, September, 1959 — discussion on by E. P. Heckel ..... December 70
Design New Office Duct Systems as Part of Structural Columns ..... November 44
Draft-Free Air Conditioning Vital to Lab Operation ..... October 45
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson ..... June 131
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959 — discussion on by Robert S. Ash ..... September 79
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959 — author replies to comments by Robert S. Ash, September, 1959 ..... September 79
Fan-Coil Units' Flexibility Is Key to Heating, Cooling Plush Apartment, by George A. Innes ..... December 84
Fan Noise in Air Conditioning: Let's Get the Facts Straight, by W. E. Tracy ..... February 136
Four Sets of Conditions Demand Unusual and Flexible System to Meet Variety of Temperature, Humidity, Dust Control Requirements in New Electro-Mechanical Aircraft Components Plant, by Boris M. Lemos ..... June 100
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — discussion on by Lester S. Ries ..... August 76
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959 — author discusses comments made by Lester S. Ries, August, 1959 ..... September 80
Group Many Central Built-Up Systems to Heat, Ventilate New Chrysler Plant, by N. J. Taylor ..... January 140
HPAC Services Meet Peak Demands of New Soft Drink Bottling Plant ..... November 110
HTHW Serves Process Heating, Comfort Needs of New Plant, by Rollin R. Eiber and William S. Rogers ..... October 109
Heat Outdoor Air For Nickel Mine By Recovery Heat Exchange System, by Jas. G. Rutherford ..... May 114
Heat Outdoor Air For Nickel Mine by Recovery Heat Exchange System, by Jas. G. Rutherford, May, 1959 — discussion on by Lester S. Ries ..... August 73
Heat Outdoor Air for Nickel Mine by Recovery Heat Exchange System, by Jas. G. Rutherford, May, 1959 — author replies to comments by Lester S. Ries, August, 1959 ..... August 73
Heat, Ventilate New High School Campus Many Different Ways, by William B. Koerner ..... December 108

Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings with Architectural, Structural, Electrical, and Plumbing Items, by John W. Habjan ..... January 153
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959—discussion on by H. J. Scharres ..... February 90
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959—author discusses comments of H. J. Scharres, February, 1959 ..... April 94
High Temperature Water Heats New School, by J. S. Blossom ..... March 109
High Temperature Water Heats New School, by J. S. Blossom, March, 1959—discussion on by James C. Bishop ..... June 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959—author replies to comments by James C. Bishop, June, 1959 ..... June 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959—discussion on by E. Jackson Whitman ..... May 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959—author replies to comments by E. Jackson Whitman, May, 1959 ..... May 90
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan ..... April 114
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959—discussion on by J. A. Millard ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959—author replies to comments by J. A. Millard, July, 1959 ..... July 83
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959—discussion on by Daniel M. Roop ..... August 74
High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959—author replies to comments by Daniel M. Roop, August, 1959 ..... August 74
How Can Fan Be Cleaned?—Either Dilute Fume Laden Air or Raise Fan Temperature Above Dewpoint, by Siegfried Ruppright ..... June 92
How Can Fan Be Cleaned?—Install Fan with Fewer Blades; They Will Wipe Themselves Clean, by C. J. Trickler ..... June 92
How Can Fan Be Cleaned?—Install Water Spray, Eliminator Section Between Process and Fan, by E. V. Agee ..... June 94
How Can Fan Be Cleaned?—Investigate Possible Preventives, Such as Water Wash System, by L. P. Hanson ..... June 94
How Can Fan Be Cleaned?—Most Economical Method Would Be to Enter Fan, Wash Down by Hand, by C. F. Kunz ..... June 94
How Can Fan Be Cleaned?—Use Low Pressure Steam; Since Sal Ammonia is Water Soluble, by William M. Gelvin ..... June 94
How Can Fan Be Cleaned?—Use Noncorrosive Chemical Solvent; Consider Filtering Air Stream, by Peter Kardos ..... June 94
How Can Fan Be Cleaned?—Why Not a Permanent Steam Connection To Fan for Daily Cleaning? by C. W. Dexter ..... June 92
How Can Fan Be Cleaned? June 1959—discussion on by H. E. Thomas ..... July 86
How Can Fan Be Cleaned? June, 1959—discussion on by H. B. Wayne ..... July 85
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke ..... May 125
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959 discussion on by H. W. Alyea ..... September 79
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959—author replies to comments by H. W. Alyea, September, 1959 ..... September 80
How to Design Freeze Protection for Makeup Supply Air System, by John H. Clarke ..... June 104
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, June, 1959—discussion on by K. E. Robinson ..... September 77
How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer, July, 1959—discussion on by K. E. Robinson ..... September 80
How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer, July, 1959—author replies to comments by K. E. Robinson, September, 1959 ..... September 80
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke ..... April 125
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke, April, 1959—discussion on by H. B. Alyea ..... August 76
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke, April, 1959—discussion on by K. E. Robinson ..... July 84
How to Design Makeup Supply Air Systems for Freeze Protection, April, 1959, by John H. Clarke—author replies to comments by K. E. Robinson, July, 1959 ..... July 85
How HTHW Meets Heating Needs of This New School, by Anton Krapek ..... August 88
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959—discussion on by George Applegate, Jr. ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959—author replies to comments by George Applegate, Jr., October, 1959 ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959—discussion on by John S. Blossom ..... September 77
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959—author replies to comments by John S. Blossom, September, 1959 ..... September 77
How Much Heat to Temper Ventilation Air? by F. Caplan ..... February 121
Industrial Ventilation: Air-Starved Plants Can Breathe Easy Through Proper Makeup Ventilation, by B. R. Small ..... October 127
Industrial Ventilation: Disposable Air Filters Save Plant $50,000 in Installation Costs, by C. F. Mowrey ..... September 122
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958—discussion on this article and on comments by H. P. Kaufuss and author's reply, September, 1958, by K. E. Robinson ..... January 111
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958—author replies to comments by K. E. Robinson, January, 1959 on this article ..... January 111
Industrial Ventilation: How to Design Freeze Protection For Makeup Supply Air Systems, by John H. Clarke ..... May 125
Industrial Ventilation: How to Design Freeze Protection For Makeup Supply System, by John H. Clarke ..... June 104
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958—discussion on by R. J. Coughlin, Jr. ..... May 91
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958—author replies to comments by R. J. Coughlin, Jr., May, 1959 ..... May 92
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958—discussion on by B. R. Small ..... February 89
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958—discussion on B. R. Small's comments, February, 1959, on this article, by John H. Clarke ..... March 97
Industrial Ventilation: How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer ..... July 130
Industrial Ventilation: How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke ..... April 125
Industrial Ventilation: Proper Inplant Enviroment Essential To Worker Comfort, Product Quality ..... August 102
Locate Industrial Air Handling Systems For Efficiency, Easy Maintenance, by H. E. Ziel ..... March 113
Missile Plant Has Both Packaged Units and Built-up Systems to Serve Needs of Different Processes, by Joseph N. Sabatini ..... July 109
New Outer Space Cabin Lab To Supply Valuable Data for Design of Environment for Survival of Tomorrow's Space Pioneers, by L. N. Becklund ..... September 110
Outline Specs for Tests Chambers That Simulate Space Travel for Rockets and Missiles, by B. F. Rose, Jr. ..... January 121
PVC Exhaust System Resists Corrosion of Acid Fumes ..... August 46
Packaged Units Cool 33-Year-Old, 11-Story Office Building, by R. G. Hurstad ..... August 85
Plastic Ducts Remove Fumes and Heat ..... November 42
Polyester Ducts Repel Sticky Pigments, by Walter Peter ..... April 135
Reheating the Air Supply Is a Well-Proved Air Conditioning Process, by Samuel R. Lewis ..... May 131
Rooftop Air Conditioning Systems Keep Photo Supplies Fresh, by L. V. Quadrini ..... November 118
Select Stainless Steel Piping, Ducts for New Plutonium Fabrication Facility ..... December 79
Shipboard Air Conditioning Design Is Based On Unusual Considera-

tions, by Lewis Smith ..... October 114
Supply Fan Cannot Be Trusted To Draw Back Recirculating Air, by Samuel R. Lewis ..... January 155
Swedish Air Raid Shelter Ventilation Designed for Atomic War Emergency, by Axel Rosell, September, 1958—discussion on by A. R. Behnke ..... February 92
Unique Built-Up System Serves Exacting Temperature, Humidity Demands of Finicky Electronic Computers, by Ivan F. Norcross ..... February 113
Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant, by W. Joseph Stanley and Stanford E. Clock ..... February 101
Ventilate Motor Room With Large Air Flow Rate ..... December 51
Waste Heat Recovery System Keeps Arctic Outpost Warm, by Henry Vaugle ..... February 130
What Are Limits of Slot Exhaust? by A. B. Epple, December, 1958—discussion on by James C. Barrett ..... June 89
What Are Limits of Slot Exhaust, by A. B. Epple, December, 1958—author replies to comments by James C. Barrett, June, 1959 ..... June 90
What Is a Plenum? ..... May 96
"When Winter Came, This Utopia Dissolved," by Samuel R. Lewis ..... March 145
Wide Functional Needs of Orphanage Met by Variety of Heating Methods, by Robert S. Glasier ..... July 99
Year Round Air Conditioning Brings Existing Office Building Up to Date, by Ronald L. Moore ..... September 127

Humidifying, Dehumidifying

Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson ..... June 131
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959—discussion on by Robert S. Ash ..... September 79
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959—author replies to comments by Robert S. Ash, September, 1959 ..... September 79
Four Sets of Conditions Demand Unusual and Flexible System to Meet Variety of Temperature, Humidity, Dust Control Requirements in New Electro-Mechanical Aircraft Components Plants, by Boris M. Lemos ..... June 100
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959—discussion on by Lester S. Ries ..... August 76
Four Sets of Conditions Demand Unusual and Flexible System, by Boris M. Lemos, June, 1959—author discusses comments made by Lester S. Ries, August, 1959 ..... September 80
Missile Plant Has Both Packaged Units and Built-up Systems to Serve Needs of Different Processes, by Joseph N. Sabatini ..... July 109
New Lab, IBM Room Demand Close Temperature, Humidity Control ..... August 45
30 Air Conditioning Systems Keep Drug Production Rolling, by George M. Bender ..... March 138
Unique Built-Up System Serves Exacting Temperature, Humidity Demands of Finicky Electronic Computers, by Ivan F. Norcross ..... February 113
Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant, by W. Joseph Stanley and Stanford E. Clock ..... February 101
Weather Data for Humidity Control ..... August 40
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Transmission Rate Depends on Vapor Pressure Difference, Inlet Distance, by Willian, Walker ..... March 102
What Vapor Transmission Rules Apply When Planning for Dehumidification? January and February, 1958; March, 1959—discussion on by H. P. Waechter ..... June 88
Year Round Air Conditioning Brings Existing Office Building Up to Date, by Ronald L. Moore ..... September 127

Odors, Sterilization, Ionization

Submarine Studies Indicate Airborne Condensation Droplets, Ions May Be Major Health Factors in Habitability of Closed Spaces, by Karl E. Schaefer ..... May 101
Submarine Studies Indicate Airborne Condensation Droplets, Ions May be Major Health Factors in Habitability of Closed Spaces, by Karl E. Schaefer ..... July 130
Submarine Studies Indicate Airborne Condensation Droplets, Ions May Be Major Health Factors in Habitability of Closed Spaces, by Karl E. Schaefer ..... June 123
Submarine Studies Indicate Airborne Condensation Droplets, Ions May Be Major Health Factors in Habitability of Closed Spaces, by Karl E. Schaefer, May, June, and July, 1959—discussion on by Warren Viessman ..... August 75
Weigh Odor Control Methods Carefully, by Warren Viessman ..... September 94
Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959—discussion on by Amos Turk ..... November 88
Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959—author replies to comments by Amos Turk, November, 1959 ..... November 88
Winning the Air Conditioning Odor Fight, Round 1: Know Your Nose—Your Nose Knows, by Albert B. Hubbard ..... January 138
Winning the Air Conditioning Odor Fight, Round 1: Know Your Nose—Your Nose Knows, by Albert B. Hubbard, January, 1959—discussion on by H. L. Barnebey ..... February 91
Winning the Air Conditioning Odor Fight, Round 2: Estimate the Enemy's Strength, by Albert B. Hubbard ..... February 119
Winning the Air Conditioning Odor Fight, Round 2: Estimate the Enemy's Strength, by Albert B. Hubbard, February, 1959—discussion on by H. L. Barnebey ..... March 97
Winning the Air Conditioning Odor Fight—Round 3: Know Your Enemy, by Albert B. Hubbard ..... March 136
Winning the Air Conditioning Odor Fight—Round 4: It's Actually a Battle Royal, by Albert B. Hubbard ..... April 118
Winning the Air Conditioning Odor Fight, Round 4: It's Actually a Battle Royal, by Albert B. Hubbard, April, 1959—discussion on by H. L. Barnebey ..... May 92
Winning the Air Conditioning Odor Fight, Round 4: It's Actually a Battle Royal, by Albert B. Hubbard, April, 1959—discussion on by Amos Turk ..... May 92
Winning the Air Conditioning Odor Fight—Round 5: Give Him Some Air! by Albert B. Hubbard ..... May 125
Winning the Air Conditioning Odor Fight, Round 5: Give Him Some Air! by Albert B. Hubbard, May, 1959—discussion on by H. L. Barnebey ..... June 87
Winning the Air Conditioning Odor Fight, Round 6: Blows from Outside the Arena, by Albert B. Hubbard ..... June 129
Winning the Air Conditioning Odor Fight, Round 6: Blows from Outside the Arena, by Albert B. Hubbard, June, 1959—discussion on by H. L. Barnebey ..... July 86
Winning the Air Conditioning Odor Fight—Round 7: The Knockout Blow, by Albert B. Hubbard ..... July 137
Winning the Air Conditioning Odor Fight series, by Albert B. Hubbard, January—May, 1959—discussion on by Warren Viessman ..... June 88

HEATING

General

AEC Issues Amendments on Radiation Exposure ..... June 39
AGA Eyes $34 Billion Building Boom ..... December 110
AGA Nominates Officers: Annual Meeting Oct. 5-7 ..... September 51
AGA Reports Gas Sales Rise ..... August 43
ARI to Certify Unitary Heat Pumps ..... December 51
ASTM Water Treatment Award to L. D. Betz For Committee Service ..... August 45
All-Time High in Construction Continues Rise ..... July 39
Anti-Smog Rule Limits Sulphur in

Fuels Oil ..... January 34
Avery, L. T., Joins Editor Board ..... January 38
BCR Members Hear About New Coal-Using Equipment Processes ..... June 39
Bidding and Insurance Booklets Available from AGC ..... August 44
Big Panel System for California Building ..... January 36
Boiler Failures Caused by Operator Carelessness ..... November 43
Boilers Used as Railroad Trestles In Power Station Job ..... February 132
Brass Mill Imports Pose Threat to Industry Labor ..... June 42
Building Contracts Continue to Climb ..... May 34
Buyer Rescinds Contract—Then What? by John F. Morrissey ..... August 107
CBRA Releases "Ominous" Report on Post-War Brass Mill Product Imports ..... July 41
CEC Covers Wide Agenda At Annual Board Meeting ..... July 37
Carnegie Tech Scholarship Competitions Now Open ..... November 44
Change Orders, Incomplete Records Cost Contractor Half His Claim, by William Hurd Hillyer ..... January 162
Chicago Architects Favor Separate Bids ..... April 32
Cisler, W. L., Nominated ASME President ..... October 42
City Transportation Changes Present Many Opportunities, by Samuel R. Lewis ..... February 135
Coal Fired Boiler Specifications Available from Bituminous Coal Institute ..... January 35
Cold Air Influx Problem Solved by Door Heaters ..... October 46
Construction Contracts Continue to Grow ..... August 42
Construction Contracts Decline Due to Steel Shortage ..... November 40
Construction Contracts Reach New High ..... October 43
Construction Contracts Set All-Time Record ..... September 54
Construction Costs Now Give Greater Value ..... June 41
Construction Costs Up 1 percent; to Continue Climb ..... June 41
Consulting Engineers Council Attacks "Free" Engineering at Semi-annual Meeting ..... December 49
Contract Must Clearly Define Title, by William Hurd Hillyer ..... March 142
Contractor Ekes Out Close Decision, by William Hurd Hillyer ..... April 134
Contractor Stresses Overhead's Importance ..... August 41
Contractor's Neglect Costs Him Plenty, by William Hurd Hillyer ..... February 138
Dangers of Faulty Installation Broaden Contractor's Obligations, by John F. Morrissey ..... November 138
Degree-Day Data Published by API ..... July 40
Directory of Addresses for Engineering Societies, Associations ..... May 121
Discuss Electric Heating, Steel Boiler Institute Merger at Institute Boiler and Radiator Manufacturers Meeting ..... January 38
Do You Appreciate Depreciation? by Irving Elbaum ..... January 150
Each Classroom Should Have Separate Chimneylike Air Escape Flue, by Samuel R. Lewis ..... April 130
Elect New ASHRAE Officers at First Annual Meeting—R. C. Cross Replaces A. V. Hutchinson As Executive Secretary ..... August 41
Electronic System Controls Solar Heat Pump Job ..... January 34
Engineering Societies Directory Now Available; Lists Staff Personnel ..... August 45
Engineers Must Be Prepared to Fill Tomorrow's Top Executive Jobs ..... June 130
Fenner, William E., and Charles Y. Proffitt Form New Engineering Firm ..... August 43
First Engineer Named to Chicago Landmark Commission, H. J. Scharres ..... December 51
Fleisher, Walter L., Dies at 78 ..... May 32
Fluid Controls Institute Elects New Officers, Sets Next Meeting ..... August 45
French Engineer to Visit U. S. Lab Facilities ..... November 43
Future Building Continues to Gain ..... April 30
Future Building Contracts Continue Upward Trend ..... March 27
Gas-Fired Radiant Heating System Warms Indianapolis Garage ..... July 41
Gas Reserves Climb to 2.7 Trillion Cu. Ft. ..... July 42
Gas Sales Reach New High ..... October 43
Gas—Utility Growth Seen For 1959 ..... February 30
Gas Valve Requirements Approved by ASA ..... May 31
Gear Urban Planning To 2000 A.D. ..... January 36
Good Attendance At 14th Heating And Air Conditioning Exposition ..... March 31
Gruman, Jr., Lloyd B., Resigns National Post for New York MCAA Position ..... May 32
HPAC Directory Section Coming in January ..... December 48
Heat Pump Costs Assessed by Utility In Philadelphia ..... February 33
Heating Plant on Roof Saves Store Floor Space ..... February 31
Hold Up Your End of the Bargain—Or Be Sued For Nonfulfillment, by William Hurd Hillyer ..... June 126
Hydronic Heating Sales Show Continued Sharp Rise ..... April 31
Incandescent Spot Lamp Simulates Sun in Texas Natural Lighting Studies ..... July 42
Industrial Construction Gains Predicted ..... September 53
Infra-Red Heaters Used for Limited Area Application ..... April 32
Infra-Red Units Heat Structural Steel Plant ..... June 38
Joint Industry Program Committee Approves Clear Specification Resolution ..... July 43
Largest U. S. Heat Pump System Installed in New Printing Plant ..... October 124
Letter *From* The Editor ..... January 13
Letter *From* The Editor ..... February 13
Letter *From* The Editor ..... March 13
Letter *From* The Editor ..... April 19
Letter *From* The Editor ..... May 11
Letter *From* The Editor ..... June 13
Letter *From* The Editor ..... July 11
Letter *From* The Editor ..... August 13
Letter *From* The Editor ..... September 11
Letter *From* The Editor ..... October 13
Letter *From* The Editor ..... November 11
Letter *From* The Editor ..... December 11
Low Noise Level Designed Into Airport Hotel System ..... August 44
MCAA Appoints Thomas J. Ryan Executive Secretary ..... September 51
MCAA Elects New Officers; Honors H. M. Porter ..... June 37
MCAA Rejects Merger; Treats Temporary Heat ..... June 38
Management People Must Have 'Feel' for Things Technical ..... May 34
March Construction Continues Climb ..... June 43
Minneapolis Engineering Firm Takes New Name ..... May 30
Must Allow for Sun Heat Effect When Planning a Building ..... March 135
Natural Gas Reserves Increased to All-Time High ..... April 34
New Contracting Firm Formed in Cleveland ..... June 43
New Heating Methods on BRI Conference Program ..... October 42
New Municipal Building Uses Heat Pump System ..... October 44
New Overhead Revolving Heater System Holds Plant Temperature at Even Level ..... July 43
New Pipefitter Apprentice Instruction Manual Available ..... October 43
New Standards Adopted by FCI ..... May 31
1959: A Better Business Year ..... January 126
1960 Predicted Good Year for Business ..... December 52
Offer Tech Writing Correspondence Course ..... September 54
Oral Agreement with Building Owner Leads Contractor into Court Battle, by John F. Morrissey ..... October 133
Outdoor Type Packaged Boilers Power New Asphalt Refinery ..... March 29
Owner's Failure to Prove Negligence Saves Contractor in Warranty Case, by John F. Morrissey ..... December 105
Panel Cooling, Heating, Goes Into New Building ..... September 52
Panel Disagrees on 'Or Equal' Clause in Specifications ..... June 42
Photographic Control Panel Aids Heating, Air Conditioning Operation ..... October 44
Pipefitter Apprentices Vie in Annual Contest at Purdue ..... September 49
Piping Gives Airport Hangar Double Winterizing Protection ..... September 51
Poor Maintenance by Owners: The Bane of Our Reputation, December, 1958—discussion on by Lee P. Hynes ..... January 112
Predict Building Volume To Double in 10 Years ..... March 28
Predict Heavier Industrial Instrumentation Activity in 1959 ..... February 31
Predict Record High for New Building in Current Year ..... July 44
Record Breaking Construction Volume Seen for 1959 ..... February 29
Rooftop Units Supply Supermarket Heating, Air Conditioning Needs ..... December 48
Rose, H. J., Honored for Coal Research ..... January 38
SBI-IBRM Merger Abandoned for New SBI Expansion Plans ..... July 41
"Scientists Make It Known, Engineers Make It Work" ..... August 46
See Atomic Development of Antarctic ..... February 34
Set Program for BRI Conference ..... October 46
Solar Future Predicted For Heating, Cooling ..... March 29
Standards Set For Yard, Pound, Grain ..... February 33
Steel Boiler Sales To Be Up in 1959 ..... February 32
Study Radiant Heating Snow Melting in New Plant ..... November 44
"'Tis Folly To Be Unwise," by Samuel R. Lewis ..... July 119
Too Many "Cooks" May Botch the Job, by William Hurd Hillyer .....

..... July 132
To Promote Hydronic Heat for Big Buildings ..... January 37
To Promote Hydronics for Large Buildings ..... August 43
Two Contracts, Mechanics Lien Spell Trouble for Subcontractor, by John F. Morrissey ..... September 124
2 Panels Control Comfort in New Chase Bank Building ..... May 31
Two Stage Heat Pump Serves New Office Building ..... August 42
UA Apprentice Contest, Instructor Training Course Set for August ..... June 38
UA Clarifies Revision of National Temporary Heat Agreement ..... March 32
UA Pipe Fitter Apprentice Contest To Be August 9-14, 1959 ..... February 31
UN Reports on New Energy Sources ..... May 117
U. S. Bureau of Mines Issues Burner Oil Report ..... December 50
U. S. Commerce Secretary Urges Metric Conversion ..... June 39
U. S. Construction to Set New Record in 1960 ..... December 51
Use Boilers to Thaw Seaway Locks ..... May 32
Water Tunnel Helps Study of Fan Design Characteristics ..... April 30
Well Water To Cool New Bank Condensing Units ..... April 34
What Are the Qualifications for Becoming a Consulting Engineer?—Before Hanging Shingle, Aspiring Consultant Needs 8 Prerequisities, by Robert H. Emerick ..... January 114
What Are the Qualifications for Becoming a Consulting Engineer?—Must Develop 3 Basic Qualities: Integrity, Ability, Salesmanship, by Harry J. Scharres ..... January 114
Which Should It Be—Closed or Open Specifications? ..... November 89
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? ..... March 100
Would Stainless Steel Coils Solve Oil Piping Problem? ..... January 117

Fundamental

An Effective Way to Heat Hospitals: Radiant Heat + "Complete" Insulation, by Charles F. Neergaard ..... October 130
Control Air Conditioning Noise In the Advanced Planning Stage, by Clayton H. Allen ..... October 103
Discuss Aluminum Fin, Copper Tube Coil Applications ..... March 135
Don't Overlook the Heat Pump ..... March 126
Environmental Control Key to Success of the Manned Earth Satellite—(HPAC Engineering Data File), by Herbert H. Christman ..... October 151
Filming Amine Inhibitors Control Corrosion, Improve Heat Transfer in Steam Heating Systems, by Malvern F. Obrecht ..... November 121
Follow These Steps to Build Profits Through Maintenance ..... May 118
Fuel Combustion Conference Probes for Answers to Three Questions: Where do We Stand? Where are We Going? How Are We Going to Get there? ..... July 133
Fuel Oil Piping Design Factors Found In "Tobacco Housing" Project Tests, by John W. McKay ..... August 96
Fuel Oil Piping Design Factors Found in "Tobacco Housing" Project Tests, by John W. McKay, August, 1959—discussion on by Willie Hammer ..... November 89
Fuel Oil Piping Design Factors Found in "Tobacco Housing" Project Tests, by John W. McKay, August, 1959 — author replies to comments by Willie Hammer, November, 1959 ..... November 90
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — discussion on by R. H. L. Becker April 91
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — author replies to comments by R. H. L. Becker, April, 1959 April 91
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — discussion on by J. V. Resek ..... May 90
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — author replies to comments by J. V. Resek, May, 1959 ..... May 91
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings with Architectural, Structural, Electrical, and Plumbing Items, by John W. Habjan ..... January 153
Heating, Ventilating, and Air Conditioning Check Lists, for Coordinating Drawings, by John W. Habjan, January, 1959 — discussion on by H. J. Scharres ..... February 90
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 — author discusses comments of H. J. Scharres, February, 1959 ..... April 94
Here's How to Figure Infiltration Due to Stack Effect, by Ralph J. Abramson, December, 1958 — discussion on by R. A. Parsons April 92
Here's How to Figure Infiltration Due to Stack Effect, by R. J. Abramson, December, 1958 — author replies to comments by R. A. Parsons, April, 1959 ..... April 93
High Intensity Infrared Radiant Heating — (HPAC Engineering Data File) ..... November 139
How to Choose the Right Pump for a Closed Hydronic System ..... April 136
How Much Heat to Temper Ventilation Air? by F. Caplan ..... February 121
Industrial Ventilation: Proper Inplant Environment Essential To Worker Comfort, Product Quality ..... August 102
Inspect Safety Devices Regularly to Avoid Boiler Explosions September 54
Many Ways to Use Heat Pump Cycle, by E. R. Ambrose ..... August 90
Many Ways to Use Heat Pump Cycles, by E. R. Ambrose, August, 1959 — discussion on by Roger W. Haines ..... November 90
New Nomograph Converts Head Into Its Equivalent Pressure, F. Caplan ..... April 123
Nuclear or Solar Energy: Which Is More Practical for Space Heating? by George W. Rusler ..... February 106
Recommended Loudness Limits for Noise From Heating, Air Conditioning Equipment, Howard C. Hardy ..... November 129
Some Noise Control Fundamentals — (HPAC Engineering Data File) ..... July 141
The Consulting Engineer's Responsibilities and Fees: Two Points of View ..... November 112
UA Instructors Embark on 5-year Plan at Sixth Annual Apprentice Instructor Training Course, to Keep Pace with Needs of HPAC Industry ..... September 91
Waste Heat Recovery System Keeps Arctic Outpost Warm, by Henry Vaugle ..... February 130
We Must Have Air to Combine With Carbon for Heat Production, by Samuel R. Lewis ..... September 117
What Is Best Induced Draft Fan Location? — Design to Eliminate Capacity Loss, Reduce Vibration, Minimize Noise, by H. B. Wayne ..... April 96
What Is Best Induced Draft Fan Location? — Size, Type of Boiler Determine Best Induced Draft Fan Location, by Sheldon R. Higgins ..... April 96
What Is Best Induced Draft Fan Location? April, 1959 — discussion on by E. K. Campbell ..... July 85
Where Are the Fuels for Tomorrow's Heating Needs Going to Come From? by George W. Rusler ..... January 146
Where Are the Fuels For Tomorrow's Heating Needs Going to Come From? by George W. Rusler, January, 1959 — discussion on by John J. Schanz, Jr. ..... March 98
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Ask Manufacturers of Ethylene Glycol Equipment to Recommend Inhibitor, by Gilbert Nellingann ..... July 90
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Avoid Heating Anti-Freeze in Boiler; Should Use Separate Heat Exchanger, by Raymond W. Williams July 90
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Ethylene Glycol Solutions Usually Have Inhibitors Which Resist Corrosion, by H. W. Wayne ..... August 78
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Heat Transfer Rate Will be Lower; ASME Power Boiler Code Sets Rules, by J. W. Turner ..... July 88
Will Heat Gain from Lights Offset Shading? ..... March 135
Will Increased Boiler Water Temperature Cause Corrosion? ..... April 98

District & Central

NDHA Observes 50th Year; Recounts Industry's Status at Golden Anniversary Meeting, by John F. Collins, Jr. ..... September 100
Steam Metering, Billing Procedures Pay Off in U. of C. Heating Plant, by Lyman R. Flook ..... December 96
U. of C. Central Plant Marks 50 Years of Reliable, Low Maintenance Heating, A Testimonial for Sound Engineering, by Lyman R. Flook ..... November 97
U. of C. Central Plant Marks 50 Years of Reliable, Low Maintenance Heating, by Lyman R. Flook, November, 1959 — discussion on by Lester S. Ries ..... December 69

Electric

New Tug Equipped with Electric Baseboard Units ..... October 44

Outline Specs for Test Chambers That Simulate Space Travel for Rockets and Missiles, by B. F. Rose, Jr. ..... January 121
Tells Heating Costs for All-Electric Installations ..... May 29
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by Robert L. Boyd ..... January 109
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — author replies to comments by Robert L. Boyd, January, 1959 on this article ..... January 110
Use Electricity or Oil to Heat This School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by G. G. Freyder ..... June 87
Use Electricity or Oil to Heat This School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — author replies to comments by G. G. Freyder, June, 1959 ..... June 87
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October 1958 — discussion on by Robert E. Matthews ..... February 90

Hot Water

An Effective Way to Heat Hospitals: Radiant Heat + "Complete" Insulation, by Charles F. Neergaard ..... October 130
Brookhaven Hospital-Lab Demands Close Temperature, Humidity Control, by Arthur C. Babcock ..... May 135
Contractor Observes "Quiet" In Installing Hospital Cooling, by R. Lester Spitzley and W. A. Brown ..... August 108
Controlling 100 Percent Outdoor Air Systems with Electronic Controls, by C. James Busch ..... August 119
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson ..... June 131
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959 — discussion on by Robert S. Ash ..... September 79
Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959 — author replies to comments by Robert S. Ash, September, 1959 ..... September 79
Fan-Coil Units' Flexibility Is Key to Heating, Cooling Plush Apartment, by George A. Innes ..... December 84
Floor Panel Radiant System Solves Heating Problems in Two Airplane Hangars ..... July 122
HTHW Serves Process Heating, Comfort Needs of New Plant, by Rollin R. Eiber and William S. Rogers ..... October 109
Heat Outdoor Air For Nickel Mine By Recovery Heat Exchange System, by Jas. G. Rutherford ..... May 144
Heat Outdoor Air For Nickel Mine by Recovery Heat Exchange System, by Jas. G. Rutherford, May, 1959 — discussion on by Lester S. Ries ..... August 73
Heat Outdoor Air for Nickel Mine by Recovery Heat Exchange System, by Jas. G. Rutherford, May, 1959 — author replies to comments by Lester S. Ries, August, 1959 ..... August 73
Heat, Ventilate New High School Campus Many Different Ways, by William B. Koerner ..... December 108
High Temperature Water Heats New School, by J. S. Blossom ..... March 109
High Temperature Water Heats New School, by J. S. Blossom, March, 1959 — discussion on by James C. Bishop ..... June 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959 — author replies to comments by James C. Bishop, June, 1959 ..... June 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959 — discussion on by E. Jackson Whitman ..... May 89
High Temperature Water Heats New School, by J. S. Blossom, March, 1959 — author replies to comments by E. Jackson Whitman, May, 1959 ..... May 90
How Can Leak Be Detected Under Concrete Floor Slab? — Don't Pump Water; Let Radioactive Substance Explore Its Way Out, by Stephen G. Flannagan ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Failure of Sonic Detector Indicates Leak Is Small, Flow Is Laminar, by C. M. E. Hoffman ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Find Circuiting, Cool Slab, Start Pump, Feel Floor for Hot Spots, by Earl Peterson ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — First Determine What Caused Leak; This May Be Key to Finding It, by Robert J. Stahle ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Inject Refrigerant into System; Expansion Will Cool Slab at Leak, by Jack M. Bane ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Introduce Radioactive Substances; Trace Piping with Geiger Counter, by Donald E. Ingram ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Iodine Radioisotopes Added to Water Cause Gamma Radiation to Leak, by Harold Bayley ..... February 94
How Can Leak Be Detected Under Concrete Floor Slab? — Put Piping System under Pressure; Resume Search with Sonic Detector, by Fred Kull ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Quick Slab Temperature Change Will Create Condensation, Reveal Leak, by Thomas S. Terry, Jr. ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Radioactive Tracer Element is Answer; But User Must Be licensed by AEC, by G. W. T. Kearsley ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Suggest Using Dye, Fluorescent, Oil-and-Whiting, Ultrasonic Methods, by H. B. Wayne ..... February 96
How Can Leak Be Detected Under Concrete Slab? — Tracing of Radioactive Material Is Quickest, Most Economical Way, by Gard C. MacAlarney ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Variations In Vapor Transfer Rates May Be Key to Locating Pipe Leak, by R. J. Zablocki ..... February 94
How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer, July, 1959 — discussion on by K. E. Robinson ..... September 80
How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer, July, 1959 — author replies to comments by K. E. Robinson, September, 1959 ..... September 80
How HTHW Meets Heating Needs of This New School, by Anton Krapek ..... August 88
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — discussion on by George Applegate, Jr. ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — author replies to comments by George Applegate, Jr., October, 1959 ..... October 94
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — discussion on by John S. Blossom ..... September 77
How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 — author replies to comments by John S. Blossom, September, 1959 ..... September 77
How to Prevent Failures in Radiant Heating and Snow Melting Systems — (HPAC Engineering Data File) ..... March 153
How Should Central Plant Heating Be Controlled for Multi-Building Heating Installation? ..... October 98
Industrial Ventilation: How to Design Hot Water Heating to Protect Against Freeze-ups, by S. I. Rottmayer ..... July 130
LSU's New Orleans Campus to Have Outdoor Central Cooling-Heating Plant, by Warren G. Moses ..... July 104
Modified System Serves Tenants Well, by Samuel R. Lewis ..... August 99
Now's the Time to Brush Up on Your Hot Water Heating Fundamentals, by F. F. Stevenson ..... September 115
Now's the Time to Brush Up on Your Hot Water Heating Fundamentals, by F. F. Stevenson ..... October 118
Standardization in HPHW Design Pays Off in Central Heating Program, William B. Koerner ..... April 91
Temperature Drop Is an Important Design Yardstick In Choosing Most Economical Hot Water Heating System ..... May 106
Temperature Drop Is an Important Design Yardstick In Choosing Most Economical Hot Water Heating System ..... June 116
Unique Control System Regulates Air Conditioning, Heating, by John F. Pink ..... January 130
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by Robert L. Boyd ..... January 109
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — author replies to comments by Robert L. Boyd, January, 1959 on this article ..... January 110
Use Electricity or Oil to Heat This School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by G. G. Freyder ..... June 87
Use Electricity or Oil to Heat This School? Here Are Actual Cost Com-

parisons, by Denard L. Gusler, October, 1958 — author replies to comments by G. G. Freyder, June, 1959 ..... June 87
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by Robert E. Matthews ..... February 90
What Is Best Induced Draft Fan Location? — Design to Eliminate Capacity Loss, Reduce Vibration, Minimize Noise, by H. B. Wayne ..April 96
What Is Best Induced Draft Fan Location? — Size, Type of Boiler Determine Best Induced Draft Fan Location, by Sheldon R. Higgins ..... April 96
What Is Best Induced Draft Fan Location? April, 1959 — discussion on by E. K. Campbell ..... July 85
"When Winter Came, This Utopia Dissolved," by Samuel R. Lewis ..... March 145
Wide Functional Needs of Orphanage Met by Variety of Heating Methods, by Robert S. Glasier ..... July 99

Steam (Including Vacuum & Vapor)

Central Control System Saves Steam, Manpower ..... October 45
Choose Central Plant, Buried Piping To Air Condition Three-Area Campus, by Irwin Isaacson, Jr., and William R. Pitcairn, Jr. ..... April 101
Controlling 100 Percent Outdoor Air Systems with Electronic Controls, by C. James Busch ..... August 119
Design Around Production Equipment To Heat High Level Industrial Plant, by John Vonderheide ..... April 106
Fan-Coil Units' Flexibility Is Key to Heating, Cooling Plush Apartment, by George A. Innes ..... December 84
Filming Amine Inhibitors Control Corrosion, Improve Heat Transfer in Steam Heating Systems, by Malvern F. Obrecht ..... November 121
Flame Failure System Switches Boiler Auxiliaries to Steam Operation, by Melvin H. Friedman ..... August 110
Group Many Central Built-Up Systems to Heat, Ventilate New Chrysler Plant, by N. J. Taylor ..... January 140
HPAC Services Meet Peak Demands of New Soft Drink Bottling Plant ..... November 110
How to Design Freeze Protection For Makeup Supply Air Systems, by John H. Clarke ..... May 125
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959 — discussion on by H. W. Alvea ..... September 79
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959 — author replies to comments by H. W. Alvea, September, 1959 ..... September 80
How to Design Freeze Protection For Makeup Supply Air System, by John H. Clarke ..... June 104
How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, June, 1959 — discussion on by K. E. Robinson ..... September 77
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke ..... April 125
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke, April, 1959 — discussion on by H. W. Alvea ..... August 76
How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke, April, 1959 — discussion on by K. E. Robinson ..... July 84
How to Design Makeup Supply Air Systems for Freeze Protection, April, 1959, by John H. Clarke — author replies to comments by K. E. Robinson, July, 1959 ..... July 85
How Much Heat for Dry Kilns? — 90 to 95 Percent Recirculation Will Greatly Reduce Heat Load, by Ray H. McGlauflin ..... November 92
How Much Heat for Dry Kilns? — Presents Equations for Estimating Heat Required to Satisfy Conditions, by H. B. Wayne ..... November 92
How to Trouble-Shoot Regulating Valves, by Robert H. Brock ..... May 132
Industrial Ventilation: Air-Starved Plants Can Breathe Easy Through Proper Makeup Ventilation, by B. R. Small ..... October 127
Industrial Ventilation: How to Design Freeze Protection For Makeup Supply Air Systems, by John H. Clarke ..... May 125
Industrial Ventilation: How to Design Freeze Protection For Makeup Supply Air System, by John H. Clarke ..... June 104
Industrial Ventilation: How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke ..... April 125
Multiple Piping and Duct System Heats, Cools 10-Building Civic Center ..... March 130
New Apartment Building To Be Cooled By Central Fan-Coil System, by Lewis Smith ..... November 136
Steam Metering, Billing Procedures Pay Off in U. of C. Heating Plant, by Lyman R. Flook ..... December 96
Steam Pipe Sizing Data ..... June 127
Steam Pipe Sizing Data ..... July 135
Steam Pipe Sizing Data ..... August 105
Steam Pipe Sizing Data ..... September 125
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 author replies to comments by Robert L. Boyd, January, 1959 ..... January 110
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by Robert L. Boyd ..... January 109
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by G. G. Freyder ..... June 87
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — author replies to comments by G. G. Freyder, June, 1959 ..... June 87
Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 — discussion on by Robert E. Matthews ..... February 90
U. of C. Central Plant Marks 50 Years of Reliable, Low Maintenance Heating, A Testimonial for Sound Engineering, by Lyman R. Flook ..... November 97
U. of C. Central Plant Marks 50 Years of Reliable, Low Maintenance Heating, by Lyman R. Flook, November, 1959 — discussion on by Lester S. Ries ..... December 69
Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant, by W. Joseph Stanley and Stanford E. Clock ..... February 101
What Is Best Induced Draft Fan Location? — Design to Eliminate Capacity Loss, Reduce Vibration, Minimize Noise, by H. B. Wayne ..April 96
What Is Best Induced Draft Fan Location? — Size, Type of Boiler Determine Best Induced Draft Fan Location, by Sheldon R. Higgins ..... April 96
What Is Best Induced Draft Fan Location? April, 1959 — discussion on by E. K. Campbell ..... July 85
What Causes Our Pipe Fittings to Fail? — Eliminate All Valves and Fittings of Dissimilar Metals; Install Deaerator, by R. J. Zabloudil ..... May 94
What Causes Our Pipe Fittings to Fail? — Have Fluids Analyzed Chemically To Find Basis for Proper Treatment, by H. B. Wayne ..May 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by C. I. Baker ..... October 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by Walter Ott ..... June 90
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith ..... July 112
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 — discussion on by T. Robert Stevens ..... December 69
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 — author replies to comments by T. Robert Stevens, December, 1959 ..... December 70
Why Steam Coils Freeze, by H. W. Alvea, April and May, 1958 discussion on by M. F. Lebowitz ..... March 97
Wide Functional Needs of Orphanage Met by Variety of Heating Methods, by Robert S. Glasier ..... July 99

Warm Air

Heat, Ventilate New High School Campus Many Different Ways, by William B. Koerner ..... December 108
Waste Heat Recovery System Keeps Arctic Outpost Warm, by Henry Vaugle ..... February 130

General

AEC Issues Amendments on Radiation Exposure ..... June 39

PIPING

AWS Releases New Soldering Manual ..... November 42
Air Force Missile Test Program Depends on Piping, Air Conditioning ..... December 47
All-Time High in Construction Continues Rise ..... July 39
Boilers Used as Railroad Trestles In

Power Station Job ..... February 32
Brass Mill Imports Pose Threat to Industry Labor ..... June 42
Building Contracts Continue to Climb ..... May 34
CBRA Releases 'Ominous' Report on Post-War Brass Mill Product Imports ..... July 41
CEC Covers Wide Agenda At Annual Board Meeting ..... July 37
Change Orders, Incomplete Records Cost Contractor Half His Claim, by William Hurd Hillyer ..... January 162
Cisler, W. L., Nominated ASME President ..... October 42
Construction Contracts Continue to Grow ..... August 42
Construction Contracts Decline Due to Steel Shortage ..... November 40
Construction Contracts Reach New High ..... October 43
Construction Contracts Set All-Time Record ..... September 54
Construction Costs Now Give Greater Value ..... June 41
Construction Costs Up 1 percent; to Continue Climb ..... June 41
Consulting Engineers Council Attacks "Free" Engineering at Semi-annual Meeting ..... December 49
Continued Rise Seen in Plastic Pipe Market ..... June 40
Contract Must Clearly Define Title, by William Hurd Hillyer ..... March 142
Contractor Ekes Out Close Decision, by William Hurd Hillyer ..... April 134
Contractor Stresses Overhead's Importance ..... August 41
Contractor's Neglect Costs Him Plenty, by William Hurd Hillyer ..... February 138
Dangers of Faulty Installation Broaden Contractor's Obligations, by John F. Morrissey ..... November 138
Directory of Addresses for Engineering Societies, Associations ..... May 121
Do You Appreciate Depreciation? by Irving Elbaum ..... January 150
Engineering Societies Directory Now Available; Lists Staff Personnel ..... August 45
Engineers Must Be Prepared to Fill Tomorrow's Top Executive Jobs ..... June 130
Fluid Controls Institute Elects New Officers, Sets Next Meeting ..... August 45
Future Building Continues to Gain ..... April 30
Future Building Contracts Continue Upward Trend ..... March 27
Gas Valve Requirements Approved by ASA ..... May 31
Glass Piping System Aids Smoking Research ..... January 37
Grease Piping System Requires Precision Welding ..... September 53
Gruman, Jr., Lloyd B., Resigns National Post for New York MCAA Position ..... May 32
HPAC Contractor Pushes Pipe Through Wall from Scaffold ..... January 33
HPAC Directory Section Coming in January ..... December 48
Hold Up Your End of the Bargain — Or Be Sued for Nontulfillment, by William Hurd Hillyer ..... June 126
House Resolution Asks that April Be Annual "Welded Products Month" ..... June 122
Industrial Construction Gains Predicted ..... September 53
Joint Industry Program Committee Approves Clear Specification Resolution ..... July 43
Letter *From* The Editor ..... January 13
Letter *From* The Editor ..... February 13
Letter *From* The Editor ..... March 13
Letter *From* The Editor ..... April 19
Letter *From* The Editor ..... May 11
Letter *From* The Editor ..... June 13
Letter *From* The Editor ..... July 11
Letter *From* The Editor ..... August 13
Letter *From* The Editor ..... September 11
Letter *From* The Editor ..... October 13
Letter *From* The Editor ..... November 11
Letter *From* The Editor ..... December 11
MCAA Appoints Thomas J. Ryan Executive Secretary ..... September 51
MCAA Elects New Officers; Honors H. M. Porter ..... June 37
MCAA Rejects Merger; Treats Temporary Heat ..... June 38
Management People Must Have 'Feel' For Things Technical ..... May 34
March Construction Continues Climb ..... June 43
New Bulletin Tells How to Apply Piping Identification Symbols August 44
New Contracting Firm Formed in Cleveland ..... June 43
New Pipefitter Apprentice Instruction Manual Available ..... October 43
New Standards Adopted by FCI May 31
1959: A 'Better' Business Year January 126
1960 Predicted Good Year for Business ..... December 52
Nuclear Pipe Welding Treated in AWS Book ..... July 43
Offer New Pipe Welding Course ..... October 44
Ohio State's Welding Course Accredited by Engineers Council for Professional Development ..... January 35
Oral Agreement with Building Owner Leads Contractor into Court Battle, by John F. Morrissey ..... October 133
Owner's Failure to Prove Negligence Saves Contractor in Warranty Case, by John F. Morrissey ..... December 105
Panel Disagrees on 'Or Equal' Clause in Specifications ..... June 42
Pipe Bending Supplement Now Available from UA ..... April 30
Pipefitter Apprentices Vie in Annual Contest at Purdue ..... September 49
Poor Maintenance by Owners: The Bane of Our Reputation, December, 1958 — discussion on by Lee P. Hynes ..... January 112
Predict Heavier Industrial Instrumentation Activity in 1959 ..... February 31
Predict Record High for New Building in Current Year ..... July 44
Pulse Pump Studied at Battelle June 41
Record Breaking Construction Volume Seen for 1959 ..... February 29
Refinery Solves Piping Problems ..... October 46
Refrigerant Piping Keeps Ice Cream Bars "Real Cool" ..... September 52
Reversing Valves 5 ft in Diameter Used in Power Station Job ..... March 28
Russia Launches Production in Polyvinyl Plastic Pipe ..... February 33
See Atomic Development Of Antarctic ..... February 34
Solve Pipe Joining Problem in Hard Water Area ..... November 43
Standards Set For Yard, Pound, Grain ..... February 33
Study Radiant Heating Snow Melting in New Plant ..... November 44
The Consulting Engineer's Responsibilities and Fees: Two Points of View ..... November 112
Too Many "Cooks" May Botch the Job, by William Hurd Hillyer July 132
Two Contracts, Mechanics' Lien Spell Trouble for Subcontractor, by John F. Morrissey ..... September 124
UA Apprentice Contest, Instructor Training Course Set for August ..... June 38
UA Pipe Fitter Apprentice Contest To Be August 9-14, 1959 ..... February 31
U. S. Commerce Secretary Urges Metric Conversion ..... June 39
U. S. Construction to Set New Record in 1960 ..... December 51
Use Stainless Volute In Nuclear Plant Pump ..... November 42
What Are the Qualifications for Becoming a Consulting Engineer? — Before Hanging Shingle, Aspiring Consultant Needs 8 Prerequisites, by Robert H. Emerick ..... January 114
What Are the Qualifications for Becoming a Consulting Engineer? — Must Develop 3 Basic Qualities: Integrity, Ability, Salesmanship, by Harry J. Scharres ..... January 114
What Are the Economics of Supporting Pipelines Outside Plant Buildings? ..... February 98
Which Should It Be — Closed or Open Specifications? ..... November 39
Would Stainless Steel Coils Solve Oil Piping Problem? ..... January 117

Fundamental

Application of Cork Insulation to Cold Pipe Lines — (HPAC Engineering Data File), by James H. Shaw ..... May 139
Atomic Age Radiation Hazards Stiffen Safety Standards for Design, Fabrication of Nuclear Piping Systems, by Raphael S. Lubomirski January 135
Atomic Age Radiation Hazards Stiffen Safety Standards, by Raphael S. Lubomirski, January, 1959 discussion on by B. J. Milleville ..... April 92
Calculating Contraction Stresses in Missile Piping Systems, by K. Hao Hsiao ..... October 122
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... September 106
Computer Program KO's Stress Problems in Designing High Temperature Piping Systems, by H. B. Ellis, Norma Schmidt, and Edward R. Watkins ..... December 87
Do Entry, Exit Coefficients Have Different Values? ..... July 90
Filming Amine Inhibitors Control Corrosion, Improve Heat Transfer in Steam Heating Systems, by Malvern F. Obrecht ..... November 121
Follow These Steps to Build Profits Through Maintenance ..... May 118
How Can I Figure Supports For a Horizontal Tank? ..... September 84
How Can I Figure Supports For a Horizontal Tank? — Locate 2 Supfor Lowest Moments, Lowest Stresses on Tank, by Antonio Di Lorenzo ..... October 96
How Can I Figure Supports For a Horizontal Tank? Locate 2 Supports at Points Where Bending Stresses Will Be Minimum, by Julius Brodsky ..... December 72
How Can I Figure Supports For a Horizontal Tank? Two Supports Are Enough; More Might Present Stress Problem, by H. B. Wayne ..... October 96
How to Trouble-Shoot Regulating Valves, by Robert H. Brock ..... May 132
New Consumable Insert Ring Extends Use of Inert-Gas Tungsten-Arc Pipe Welding, Solves Bubbling, Porosity Problems in Joining Carbon Steel, by Helmut Thielsch ..... November 132
New Consumable Insert Ring Extends Use of Inert-Gas Tungsten-Arc Pipe Welding, by Helmut Thielsch, November, 1959 — Discussion on by I. A. Rohrig ..... December 69

New Method Speeds Design of Pipeline Expansion Loops Aids in Checking Existing Loops for Stress, by Louis E. Partch ..... July 123
New Methods Speed Design of Pipeline Loops, by Louis E. Partch, July, 1959—discussion on by E. Yuknis ..... November 89
New Methods Speed Design of Pipeline Loops, by Louis E. Partch, July, 1959 — author replies to comments by E. Yuknis, November, 1959 ..... November 89
New Nomograph Converts Head Into Its Equivalent Pressure, F. Caplan ..... April 123
New, Revised ASTM Specifications Aid Users of Steel Welding Fittings, by Foster W. Holmes ..... June 120
Pipe Welding Panelists Pool Know-How; Focus on New Cost Saving Techniques ..... June 97
Pipe Welding Terms Defined, by Helmut Thielsch ..... October 125
Pipe Welding Terms Defined, by Helmut Thielsch ..... December 101
Revise ASA Butt Welding Standards To Simplify Layout, Fabrication of Piping Systems, by H. H. George ..... February 123
Sectional Committee Interprets Code for Pressure Piping ..... May 110
Sectional Committee Interprets Code for Pressure Piping ..... September 114
Some Noise Control Fundamentals — (HPAC Engineering Data File) ..... July 141
UA Instructors Embark on 5-year Plan at Sixth Annual Apprentice Instructor Training Course, to Keep Pace with Needs of HPAC Industry ..... September 91
What Causes Our Pipe Fittings to Fail? Eliminate All valves and Fittings of Dissimilar Metals; Install Deaerator, by R. J. Zablodil ..... May 94
What Causes Our Pipe Fittings to Fail? Have Fluids Analyzed Chemically To Find Basis for Proper Treatment, by H. B. Wayne ..... May 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by C. I. Baker ..... October 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by Walter Ott ..... June 90
What to Consider When Selecting Globe and Gate Valves — (HPAC Engineering Data File), by Carl A. Dopp ..... April 141
What to Consider When Selecting Cocks and Plug Valves — (HPAC Engineering Data File) ..... August 123
What to Consider When Selecting Valves (HPAC Engineering Data File), by Carl A. Dopp ..... January 163
What Are Flow Characteristics of Butterfly Valves, Dampers? ..... June 94
Wrought Iron, Wrought Steel Piping Standard Is 20 Years Old, this Month, by H. H. George ..... April 110

Air & Gas

ASA Gas Piping Code Available from ASME ..... July 38
ASME Publishes New Gas Piping Standard Code ..... September 54
Cryogenics: Piping for the Future ..... August 94
Dry Compressed Air Pays Off in Big Plant ..... October 45
High Pressure Steam and Air Piping Serves Experimental Jet Catapults, by Milton Simkin ..... February 110
Outline Specs for Test Chambers That Simulate Space Travel for Rockets and Missiles, by B. F. Rose, Jr. ..... January 121
Select Stainless Steel Piping, Ducts for New Plutonium Fabrication Facility ..... December 79
Use Helium Chambers in New Plutonium Fabrication Facilities at Argonne Lab ..... June 43

Oil

How to Prevent Failures in Radiant Heating and Snow Melting Systems — (HPAC Engineering Data File) ..... March 153

Process Liquids

Atomic Age Radiation Hazards Stiffen Safety Standards for Design, Fabrication of Nuclear Piping Systems, by Raphael S. Lubomirski ..... January 135
Atomic Age Radiation Hazards Stiffen Safety Standards, by Raphael S. Lubomirski, January, 1959 — discussion on by B. J. Milleville ..... April 92
Cryogenics: Piping for the Future ..... August 94
Electric Resistance Heating Used in Process Application ..... April 33
HPAC Services Meet Peak Demands of New Soft Drink Bottling Plant ..... November 110
HTHW Serves Process Heating, Comfort Needs of New Plant, by Rollin R. Eiber and William S. Rogers ..... October 109
New Cars Get Paint Jobs Via 25 Miles of Silver Brazed Lightweight Piping, November, 1958 — discussion on by J. J. Chovanec ..... January 112
PVC Piping Proves Maintenance-Free in Chemicals Plant, by Carl H. Vogel ..... January 143
Piping Is Vital Lifeline in New Blood Fractionation Lab, by Anton Krapek ..... November 102
UPVC Piping Carries Water, Acid in Plant's Plating Department ..... May 34
UPVC Piping Handles Pickle Brine in Meat Packing Plant ..... April 31

Refrigerant

Case Histories from a Consulting Engineer's Files, by C. T. Baker ..... August 100
Engineers View Ice Rink Pipe System Performance ..... October 46
Hotel Snow Melting System Nearing Completion ..... November 40
How to Design Refrigerant Piping, by W. C. Smith ..... July 106
How to Design Refrigerant Piping, by W. C. Smith ..... August 116
How to Design Refrigerant Piping, by W. C. Smith, July and August, 1959 — discussion on by C. T. Baker ..... September 78
How to Design Refrigerant Piping For Refrigerants 12 and 22 ..... April 120
Install Ramp Snow Melting System at New Air Force Academy in Colorado Springs ..... August 43
New Yale Hockey Rink Has 46,000 ft of Pipe ..... May 30
Piping Design for New Ice Rink Permits Dual-Use of Concrete Slab, by William J. O'Mahony ..... December 106
Portable Skating Rink In Department Store Cooled With Brine ..... February 34
Pressure Losses in Refrigerant Piping: What You Can Do About Them, by W. C. Smith ..... October 138
Pressure Losses in Refrigerating Piping: What You Can Do About Them, by W. C. Smith, October, 1959 — discussion on by C. T. Baker ..... November 87
Short-Cut Practices May be Costly — Case Histories, by C. T. Baker ..... March 152
Sloping Driveway's Snow Melting System Assures Snowfree, Slipfree Pavement, by John Rudberg ..... October 112
36,000 ft of Piping Used in Hockey Rink for AHL Hershey Bears ..... July 44
Weld 10 Miles of Pipe For New Ice Rink ..... April 34
When Should Sight Glass Be Used In Refrigerant Circuits? by Lyle K. Huhn ..... March 99

Semi-Solids

Pumping Solids through a Pipeline, by Julian Nardi ..... September 121

Steam

Carbon Steel Has Its Problems, Too; When Piping Steam at 800 F, by I. A. Rohrig ..... June 108
Carbon Steel Has Its Problems Too; When Piping Steam at 800 F, by I. A. Rohrig, June, 1959 — discussion on by Helmut Thielsch ..... August 74
Carbon Steel Has Its Problems Too; When Piping Steam at 800 F, by I. A. Rohrig, June, 1959 — author replies to comments by Helmut Thielsch, August, 1959 ..... August 75
Design 'Around' Production Equipment To Heat High Level Industrial Plant, by John Vonderheide ..... April 106
High Pressure Steam and Air Piping Serves Experimental Jet Catapults, by Milton Simkin ..... February 110
Hospital Steam Needs Controlled Over Wide Range of Pressures ..... August 40
How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend, December, 1958 — discussion on by J. A. Klapper ..... February 91
How to Trouble-Shoot Regulating Valves, by Robert H. Brock ..... May 132
Planned Maintenance Pays Off in Minimum Downtime in Iron Ore Pelletizing Plant, by Lester S. Ries ..... July 120
Steam Pipe Sizing Data ..... June 127
Steam Pipe Sizing Data ..... July 135
Steam Pipe Sizing Data ..... August 105
Steam Pipe Sizing Data ..... September 125
Weld Probe Sampling Programs of Graphitized Piping Are Still Your Best Guarantee of Safety, by Helmut Thielsch ..... March 116
Weld Probe Sampling Programs of Graphitized Piping Are Still Your Best Guarantee of Safety, by Helmut Thielsch, March, 1959 — discussion on by E. A. Sticha ..... July 83
Weld Probe Sampling Programs of Graphitized Piping Are Still Your

Best Guarantee of Safety, by Helmut Thielsch, March, 1959 — author replies to comments by E. A. Sticha, July, 1959 ..... July 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? ..... August 80
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — After Machining, Inspect Bevels for Stress Corrosion Cracking, by Helmut Thielsch ..... September 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Graphitization Should Be No Problem If 800 F Operation Is Intermittent, by John E. Brock ..... September 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Welded Joints Should Be Heat Treated To Protect Against Graphitization, by I. A. Rohrig ..... September 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Yes, If Welding Is Properly Done and Duration of 800 F Service is Short, by Sabin Crocker ..... September 82

Water

Brookhaven Hospital-Lab Demands Close Temperature, Humidity Control, by Arthur C. Babcock ..... May 135
GE's 'Mill Water' Piping Saves $500,000 a Year, by John Vonderheide, December, 1958 —discussion on by James C. Bishop ..... March 99
GM Saves Billions of Gallons of Process Water ..... May 32
High Pressure Steam and Air Piping Serves Experimental Jet Catapults, by Milton Simkin ..... February 110
How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend, December, 1958 — discussion on by J. A. Klapper ..... February 91
How Can Leak Be Detected Under Concrete Floor Slab? — Don't Pump Water; Let Radioactive Substance Explore Its Way Out, by Stephen G. Flannagan ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Failure of Sonic Detector Indicates Leak Is Small, Flow Is Laminar, by C. M. E. Hoffman ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Find Circuiting, Cool Slab, Start Pump, Feel Floor for Hot Spots, by Earl Peterson ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — First Determine What Caused Leak; This May Be Key to Finding It, by Robert J. Stahle ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Inject Refrigerant into System; Expansion Will Cool Slab at Leak, by Jack M. Bane ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Introduce Radioactive Substances; Trace Piping with Geiger Counter, by Donald F. Ingram ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Iodine Radioistopes Added to Water Cause Gamma Radiation to Leak, by Harold Bayley ..... February 94
How Can Leak Be Detected Under Concrete Floor Slab? — Put Piping System under Pressure; Resume Search with Sonic Detector, by Fred Kull ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Quick Slab Temperature Change Will Create Condensation, Reveal Leak, by Thomas S. Terry, Jr. ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Radioactive Tracer Element is Answer; But User Must Be licensed by AEC, by G. W. T. Kgarsley ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Suggest Using Dye, Fluorescent, Oil-and-Whiting, Ultrasonic Methods, by H. B. Wayne ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? Tracing of Radioactive Material Is Quickest, Most Economical Way, by Gard C. MacAlarney ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Variations In Vapor Transfer Rates May Be Key to Locating Pipe Leak, by R. J. Zablodil ..... February 94
How to Prevent Failures in Radiant Heating and Snow Melting Systems — (HPAC Engineering Data File) ..... March 153
Not Enough Air to Insure Required Flow of Water — Case Histories, by C. T. Baker ..... March 151
Oceanarium Simulates the Briny Via Elaborate Piping System, by J. Marx Ayres ..... February 116
Oceanarium Simulates the Briny Via Elaborate Piping System, by J. Marx Ayres ..... March 146
Outline Specs for Test Chambers That Simulate Space Travel for Rockets and Missiles, by B. F. Rose, Jr. ..... January 121
Piping Saves Water For New Printing Plant ..... February 34
Select Stainless Steel Piping, Ducts for New Plutonium Fabrication Facility ..... December 79
UPVC Piping Carries Water, Acid in Plant's Plating Department ..... May 34
Use of Chlorine in Wood Cooling Towers Condemned by Redwood Association ..... July 39
Water Treatment Fights Acid in Skyscraper Cooling Water ..... March 30
What Is Correct Pump Head for Cooling Tower Piping? — Calculate Total Dynamic Head Using Bernoulli's Theorem, by H. B. Wayne ..... January 118
What Is Correct Pump Head for Cooling Tower Piping? October, November, and December, 1958 — discussion on by Joseph L. Pinter ..... June 90
What To Do About Noise, Vibration In Water Piping Systems ..... March 133

BUILDING TYPE INDEX

FUNDAMENTAL TO ALL BUILDINGS

AEC Issues Amendments on Radiation Exposure ..... June 39
AGA Eyes $34 Billion Building Boom ..... December 110
AGA Nominates Officers; Annual Meeting Oct. 5-7 ..... September 51
AGA Reports Gas Sales Rise ..... August 43
API Report on Improved Equipment Given at Meeting ..... July 44
ARI to Certify Unitary Heat Pumps ..... December 51
ARI Directory of Unit Conditioners Now Available ..... February 30
ARI Disbands Section on Room Air Conditioners ..... July 42
ARI Figures Show Gains in Central Air Conditioning ..... September 53
ARI To Issue New Directory of Certified Units ..... March 29
ARI Rating Data Directory Available ..... August 46
ARI Unitary Shipments Up 39 Percent ..... December 50
ASA Gas Piping Code Available from ASME ..... July 38
ASTM Water Treatment Award to L. D. Betz For Committee Service ..... August 45
AWS Releases New Soldering Manual ..... November 42
A Giant Step toward Standardization: SMACNA's Sheet Metal Duct Manual, by James H. Stiggleman ..... November 106
A New Standard For Ductwork Design, Installation: SMACNA's Sheet Metal Duct Manual, by James H. Stiggleman ..... December 92
Air Conditioning Conference to Include "Engineer's and Contractor's Days" ..... September 50
Air Conditioning Conference Stresses Proper Maintenance ..... August 39
Air Force Conference Highlights Air Conditioning Operation and Maintenance — (HPAC Engineering Data File) ..... September 131
Air Force Conference Highlights Air Conditioning Operation and Maintenance, September, 1959 — discussion on by J. Donald Kroeker ..... October 93
Air Force Conference Highlights Air Conditioning Operation and Maintenance, September, 1959 — discussion on by P. N. Vinther ..... November 88
Air Pollution, Its Causes and Cures, by George S. Reichenbach, Jr. ..... January 161
Air Pollution Control Demands Engineering Analysis, Design — (HPAC

Engineering Data File) ..... February 140
Air Pollution, Waste Control Is Individual Plant Project ..... April 131
All-Time High in Construction Continues Rise ..... July 39
Anti-Smog Rule Limits Sulphur in Fuel Oil ..... January 34
Application of Cork Insulation to Cold Pipe Lines — (HPAC Engineering Data File), by James H. Shaw ..... May 139
Avery, L. T., Joins Editor Board ..... January 38
BCR Members Hear About New Coal-Using Equipment, Processes ..... June 39
Bidding and Insurance Booklets Available from AGC ..... August 44
Boiler Failures Caused by Operator Carelessness ..... November 43
Bouve, W. L., Named ARI Products Secretary ..... October 43
Brass Mill Imports Pose Threat to Industry Labor ..... June 42
Building Contracts Continue to Climb ..... May 34
CBRA Releases "Ominous" Report on Post-War Brass Mill Product Imports ..... July 41
CEC Covers Wide Agenda At Annual Board Meeting ..... July 37
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... September 106
Case Histories from a Consulting Engineer's Files, by C. T. Baker ..... August 100
Change Orders, Incomplete Records Cost Contractor Half His Claim, by William Hurd Hillyer ..... January 162
Chicago Architects Favor Separate Bids ..... April 32
Coal Fired Boiler Specifications Available from Bituminous Coal Institute ..... January 35
Compressor Body Shipments Show Year End Rise ..... December 33
Compressor Body Shipments Up ..... November 42
Computer Program KO's Stress Problems in Designing High Temperature Piping Systems, by H. B. Ellis, Norma Schmidt, and Edward R. Watkins ..... December 87
Conference Session a Feature of ARI's Atlantic City Show ..... October 141
Construction Contracts Continue to Grow ..... August 42
Construction Contracts Decline Due to Steel Shortage ..... November 40
Construction Contracts Reach New High ..... October 43
Construction Contracts Set All-Time Record ..... September 54
Construction Costs Now Give Greater Value ..... June 41
Construction Costs Up 1 percent; to Continue Climb ..... June 41
Consulting Engineers Council Attacks "Free" Engineering at Semi-annual Meeting ..... December 49
Continued Rise Seen in Plastic Pipe Market ..... June 40
Contract Must Clearly Define Title, by William Hurd Hillyer ..... March 142
Contractor Ekes Out Close Decision, by William Hurd Hillyer ..... April 134
Contractor Stresses Overhead's Importance ..... August 41
Contractor's Neglect Costs Him Plenty, by William Hurd Hillyer ..... February 138
Control Air Conditioning Noise In the Advanced Planning Stage, by Clayton H. Allen ..... October 103
Controlling 100 Percent Outdoor Air Systems with Electronic Controls, by C. James Busch ..... August 119
Cooling Tower Standard Available: NFPA ..... August 44
Corrective Water Treatment Prevents Scale Deposit, Corrosion in Water Cooled Air Conditioning Systems, by J. L. Thornley ..... August 112
Cramped Quarters Will Make Maintenance a Real Chore — Case Histories, by C. T. Baker ..... March 152
Dangers of Faulty Installation Broaden Contractor's Obligations, by John F. Morrissey ..... November 138
Degree-Day Data Published by API ..... July 40
Diffuser-Fixtures Cool Computers ..... April 33
Directory of Addresses for Engineering Societies, Associations ..... May 121
Discuss Aluminum Fin, Copper Tube Coil Applications ..... March 135
Discuss Electric Heating, Steel Boiler Institute Merger at Institute Boiler and Radiator Manufacturers Meeting ..... January 38
Do Entry, Exit Coefficients Have Different Values? ..... July 90
Do You Appreciate Depreciation? by Irving Elbaum ..... January 150
Electronic System Controls Solar Heat Pump Job ..... January 34
Engineering Societies Directory Now Available; Lists Staff Personnel ..... August 45
Environmental Control Key to Success of the Manned Earth Satellite — (HPAC Engineering Data File), by Herbert H. Christman ..... October 151
Evaporative Condensers Guilty, Too, by Lester T. Avery ..... December 100
Fan Noise in Air Conditioning; Let's Get the Facts Straight, by W. E. Tracy ..... February 136
Filming Amine Inhibitors Control Corrosion, Improve Heat Transfer in Steam Heating Systems, by Malvern F. Obrecht ..... November 121
First Engineer Named to Chicago Landmark Commission, H. J. Scharres ..... December 51
Fluid Controls Institute Elects New Officers, Sets Next Meeting August 45
46 Companies Sign ARI Contracts for Unitary Certification Program June 44
Fuel Combustion Conference Probes for Answers to Three Questions: Where do We Stand? Where are We Going? How Are We Going to Get There? ..... July 133
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — discussion on by R. H. L. Becker ..... April 91
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — author replies to comments by R. H. L. Becker, April, 1959 ..... April 91
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — discussion on by J. V. Resek ..... May 90
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 — author replies to comments by J. V. Resek, May, 1959 ..... May 91
Future Building Continues to Gain ..... April 30
Future Building Contracts Continue Upward Trend ..... March 27
Gas Reserves Climb to 2.7 Trillion Cu Ft ..... July 42
Gas Sales Reach New High ..... October 43
Gas Utility Growth Seen For 1959 ..... February 30
Gas Valve Requirements Approved by ASA ..... May 31
Gear Urban Planning To 2000 A.D. ..... January 36
General Sees Construction as Key in Atomic War ..... April 32
Good Attendance At 14th Heating and Air Conditioning Exposition March 31
Gruman, Jr., Lloyd B., Resigns National Post for New York MCAA Position ..... May 32
Heat Pump Costs Assessed by Utility In Philadelphia ..... February 33
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings with Architectural, Structural, Electrical, and Plumbing Items, by John W. Habjan January 153
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 — discussion on by H. J. Scharres ..... February 90
Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 — author discusses comments of H. J. Scharres, February, 1959 ..... April 94
Here's How to Figure Infiltration Due to Stack Effect, by Ralph J. Abramson, December, 1958 — discussion on by R. A. Parsons ..... April 92
Here's How to Figure Infiltration Due to Stack Effect, by R. J. Abramson, December, 1958 — author replies to comments by R. A. Parsons, April, 1959 ..... April 93
Here's a New, Quick Way To Select Chilled Water Coils, by Bruno P. Morabito and William Conroy ..... January 156
Here's a New, Quick Way to Select Chilled Water Coils, by Bruno P. Morabito and William Conroy, January, 1959 — discussion on by W. B. Buck ..... February 90
High Intensity Infrared Radiant Heating — (HPAC Engineering Data File) ..... November 139
Hold Up Your End of the Bargain — Or Be Sued for Nonfulfillment, by William Hurd Hillyer ..... June 126
House Resolution Asks that April Be Annual "Welded Products Month" ..... June 122
How Can I Figure Supports For a Horizontal Tank? ..... September 84
How Can I Figure Supports For a Horizontal Tank? — Locate Supports for Lowest Moments, Lowest Stresses on Tank, by Antonio Di Lorenzo ..... October 96
How Can I Figure Supports For a Horizontal Tank? — Locate 2 Supports at Points Where Bending Stresses Will Be Minimum, by Julius Brodsky ..... December 72
How Can I Figure Supports For a Horizontal Tank? — Two Supports Are Enough; More Might Present Stress Problem, by H. B. Wayne ..... October 96
How Can Leak Be Detected Under Concrete Floor Slab? — Don't Pump Water; Let Radioactive Substance Explore Its Way Out, by Stephen G. Flannagan ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Failure of Sonic Detector Indicates Leak Is Small, Flow Is Laminar, by C. M. E. Hoffman ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Find Circuiting, Cool Slab, Start Pump, Feel Floor for Hot Spots, by Earl Peterson ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — First Determine What Caused Leak; This May Be Key to Finding It, by

Robert J. Stahle ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Inject Refrigerant into System; Expansion Will Cool Slab at Leak, by Jack M. Bane ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Introduce Radioactive Substances; Trace Piping with Geiger Counter, by Donald F. Ingram ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Iodine Radioisotopes Added to Water Cause Gamma Radiation to Leak, by Harold Bayley ..... February 94
How Can Leak Be Detected Under Concrete Floor Slab? — Put Piping System under Pressure; Resume Search with Sonic Detector, by Fred Kull ..... February 98
How Can Leak Be Detected Under Concrete Floor Slab? — Quick Slab Temperature Change Will Create Condensation, Reveal Leak, by Thomas S. Terry, Jr. ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Radioactive Tracer Element is Answer; But User Must Be Licensed by AEC, by G. W. T. Kearsley ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Suggest Using Dye, Fluorescent, Oil-and-Whiting, Ultrasonic Methods, by H. B. Wayne ..... February 96
How Can Leak Be Detected Under Concrete Floor Slab? — Tracing of Radioactive Material Is Quickest, Most Economical Way, by Gard C. MacAlarney ..... February 97
How Can Leak Be Detected Under Concrete Floor Slab? — Variations In Vapor Transfer Rates May Be Key to Locating Pipe Leak, by R. J. Zablodil ..... February 94
How to Design Refrigerant Piping, by W. C. Smith ..... July 106
How to Design Refrigerant Piping, by W. C. Smith ..... August 116
How to Design Refrigerant Piping, by W. C. Smith, July and August, 1959 — discussion on by C. T. Baker ..... September 78
How to Design Refrigerant Piping For Refrigerants 12 and 22 ..... April 120
How to Choose the Right Pump For a Closed Hydronic System ..... April 136
How to Control Particulate Emissions to Abate Air Pollution — (HPAC Engineering Data File) ..... June 137
How to Control Gaseous Emissions to Abate Air Pollution — (HPAC Engineering Data File) ..... December 111
How to Fight a Slugger, Lester T. Avery ..... June 103
How Much Heat to Temper Ventilation Air? by F. Caplan ..... February 121
How to Prevent Failures in Radiant Heating and Snow Melting Systems — (HPAC Engineering Data File) ..... March 153
How Should Central Plant Heating Be Controlled for Multi-Building Heating Installation? ..... October 98
How to Trouble-Shoot Regulating Valves, by Robert H. Brock ..... May 132
Hydronic Heating Sales Show Continued Sharp Rise ..... April 31
Incandescent Spot Lamp Simulates Sun in Texas Natural Lighting Studies ..... July 42
Inspect Safety Devices Regularly to Avoid Boiler Explosions ..... September 54
Job Health Congress Set For July 25-29, 1959 ..... February 33
Joint Industry Program Committee Approves Clear Specification Resolution ..... July 43
Leader's Qualities Must Be Cultivated ..... January 38
Letter *From* The Editor ..... January 13
Letter *From* The Editor ..... February 13
Letter *From* The Editor ..... March 13
Letter *From* The Editor ..... April 19
Letter *From* The Editor ..... May 11
Letter *From* The Editor ..... June 13
Letter *From* The Editor ..... July 11
Letter *From* The Editor ..... August 13
Letter *From* The Editor ..... September 11
Letter *From* The Editor ..... October 13
Letter *From* The Editor ..... November 11
Letter *From* The Editor ..... December 11
MCAA Appoints Thomas J. Ryan Executive Secretary ..... September 51
MCAA Elects New Officers; Honors H. M. Porter ..... June 37
MCAA Rejects Merger; Treats Temporary Heat ..... June 83
Many Ways to Use Heat Pump Cycle, by E. R. Ambrose ..... August 90
Many Ways to Use Heat Pump Cycles, by E. R. Ambrose, August, 1959 — discussion on by Roger W. Haines ..... November 90
March Construction Continues Climb ..... June 43
Must Allow for Sun Heat Effect When Planning a Building ..... March 135
NDHA Observes 50th Year; Recounts Industry's Status at Golden Anniversary Meeting, by John F. Collins, Jr. ..... September 100
Natural Gas Reserves Increased to All-Time High ..... April 53
Navy Contracts for Experimental Thermoelectric Air Conditioner ..... October 45
Need Particulate Sampling Device: Armed Forces ..... July 43
New Air Pollution Law Explained to Ventilation Men ..... April 29
New Bulletin Tells How to Apply Piping Identification Symbols ..... August 44
New Consumable Insert Ring Extends Use of Inert-Gas Tungsten-Arc Pipe Welding, Solves Bubbling, Porosity Problems in Joining Carbon Steel, by Helmut Thielsch ..... November 132
New Consumable Insert Ring Extends Use of Inert-Gas Tungsten-Arc Pipe Welding, by Helmut Thielsch, November, 1959 — discussion on by I. A. Rohrig ..... December 69
New Formula Predicts Performance of Counterflow Cooling Towers for Air Conditioning Duty, by William T. Lyons ..... October 134
New Heating Methods on BRI Conference Program ..... October 42
New Method Speeds Design of Pipeline Expansion Loops Aids in Checking Existing Loops for Stress, by Louis E. Partch ..... July 123
New Methods Speed Design of Pipeline Loops, by Louis E. Partch, July, 1959 — discussion on by E. Yuknis ..... November 89
New Methods Speed Design of Pipeline Loops, by Louis E. Partch, July, 1959 — author replies to comments by E. Yuknis, November, 1959 ..... November 89
New Nomograph Converts Head Into Its Equivalent Pressure, F. Caplan ..... April 123
New Pipefitter Apprentice Instruction Manual Available ..... October 43
New, Revised ASTM Specifications Aid Users of Steel Welding Fittings, by Foster W. Holmes ..... June 120
New Standards Adopted by FCI ..... May 31
New York Engineers Urge City To Standardize Fees ..... February 32
1959: A 'Better' Business Year ..... January 126
1960 Predicted Good Year for Business ..... December 52
No Health Threat Offered by Present Radiation Level ..... July 39
Now's the Time to Brush Up on Your Hot Water Heating Fundamentals, by F. F. Stevenson ..... September 115
Now's the Time to Brush Up on Your Hot Water Heating Fundamentals, by F. F. Stevenson ..... October 118
Nuclear or Solar Energy: Which Is More Practical for Space Heating? by George W. Rusler ..... February 106
Offer New Pipe Welding Course ..... October 44
Ohio State's Welding Course Accredited by Engineers Council for Professional Development ..... January 35
Oral Agreement with Building Owner Leads Contractor into Court Battle, by John F. Morrissey ..... October 133
Owner's Failure to Prove Negligence Saves Contractor in Warranty Case, by John F. Morrissey ..... December 105
Panel Disagrees on 'Or Equal' Clause in Specifications ..... June 42
Pipe Bending Supplement Now Available from UA ..... April 30
Pipefitter Apprentices Vie in Annual Contest at Purdue ..... September 49
Pipe Welding Panelists Pool Know-How; Focus on New Cost Saving Techniques ..... June 97
Pipe Welding Terms Defined, by Helmut Thielsch ..... October 125
Pipe Welding Terms Defined, by Helmut Thielsch ..... December 101
Plan Technical Writing Institute ..... January 37
Poor Maintenance by Owners: The Bane of Our Reputation, December, 1958 — discussion on by Lee P. Hynes ..... January 112
Predict Building Volume To Double in 10 Years ..... March 28
Predict Record High for New Building in Current Year ..... July 44
Pressure Losses in Refrigerant Piping: What You Can Do About Them, by W. C. Smith ..... October 138
Pressure Losses in Refrigerant Piping: What You Can Do About Them, by W. C. Smith, October, 1959 — discussion on by C. T. Baker ..... November 87
Promote Room Air Conditioners May 17-24 ..... May 34
Prove Negative Ions Important Health Factor ..... February 115
Pulse Pump Studied at Battelle ..... June 41
Radio Controlled Street Lights Have Forced Air Cooling ..... January 34
Recommended Loudness Limits for Noise From Heating, Air Conditioning Equipment, Howard C. Hardy ..... November 129
Record Breaking Construction Volume Seen for 1959 ..... February 29
Revise ASA Butt Welding Standards To Simplify Layout, Fabrication of Piping Systems, by H. H. George ..... February 123
Rose, H. J., Honored for Coal Research ..... January 38
Russia Launches Production in Polyvinyl Plastic Pipe ..... February 33
SBI-IBRM Merger Abandoned for New SBI Expansion Plans ..... July 41
Sectional Committee Interprets Code for Pressure Piping ..... May 110
Sectional Committee Interprets Code for Pressure Piping ..... September 114
See Atomic Development Of Antarctic ..... February 34
See Nuclear Energy As Air Conditioning Power Source ..... April 31
Set Air Force Meeting on Air Conditioning for July ..... July 40

Set Program for BRI Conference ..... October 46
Set Standard Ratings for Electronic Air Cleaners ..... August 122
Solar Future Predicted For Heating, Cooling ..... March 29
Solve Pipe Joining Problem in Hard Water Area ..... November 43
Some Noise Control Fundamentals — (HPAC Engineering Data File) July 141
Standards Set by ARI For Heat Transfer ..... February 33
Standards Set For Yard, Pound, Grain ..... February 33
Standardization in HPHW Design Pays Off in Central Heating Program, William B. Koerner ..... April 91
Steam Pipe Sizing Data ..... June 127
Steam Pipe Sizing Data ..... July 135
Steam Pipe Sizing Data ..... August 105
Steam Pipe Sizing Data ..... September 125
Steel Boiler Sales To Be Up in 1959 ..... February 32
Study Air Cooled Condenser Maintenance Problems ..... August 40
Study Foreign Markets for Air Conditioning ..... October 44
"Sweat Control" Nomograph Speeds Insulation Thickness Calculations, by Charles F. Gilbo ..... March 143
Take a Good Look at Your Condenser; It May be a Wolf in Sheep's Clothing, by Lester T. Avery ..... November 131
Tells Heating Costs for All-Electric Installations ..... May 29
Temperature Drop Is an Important Design Yardstick In Choosing Most Economical Hot Water Heating System ..... May 106
Temperature Drop Is an Important Design Yardstick In Choosing Most Economical Hot Water Heating System ..... June 116
Thermoelectric Research Begun at Battelle ..... March 31
Thermoelectric Research Inaugurated for Navy ..... July 40
"'Tis Folly To Be Unwise," by Samuel R. Lewis ..... July 119
The Consulting Engineer's Responsibilities and Fees: Two Points of View ..... November 112
To Promote Hydronic Heat for Big Buildings ..... January 37
To Promote 'Hydronics' for Large Buildings ..... August 43
Too Many "Cooks" May Botch the Job, by William Hurd Hillyer July 132
Tricks and Trends — Mistakes of the 20's Are Still Being Made, by Lester T. Avery ..... March 129
Two Contracts, Mechanics' Lien Spell Trouble for Subcontractor, by John F. Morrissey ..... September 124
UA Apprentice Contest, Instructor Training Course Set for August ..... June 38
UA Clarifies Revision of National Temporary Heat Agreement March 32
UA Instructors Embark on 5-year Plan at Sixth Annual Apprentice Instructor Training Course, to Keep Pace with Needs of HPAC Industry ..... September 91
UA Pipe Fitter Apprentice Contest To Be August 9-14, 1959 February 31
UN Reports on New Energy Sources ..... May 117
U. S. Bureau of Mines Issues Burner Oil Report ..... December 50
U. S. Commerce Secretary Urges Metric Conversion ..... June 39
U. S. Construction to Set New Record in 1960 ..... December 51
Unique Control System Regulates Air Conditioning, Heating, by John F. Pink ..... January 130
Use of Chlorine in Wood Cooling Towers Condemned by Redwood Association ..... July 39
Water Tunnel Helps Study of Fan Design Characteristics ..... April 30
Weather Bureau Reports Discomfort Index ..... April 30
Weather Data for Humidity Control ..... August 40
We Must Have Air to Combine With Carbon for Heat Production, by Samuel R. Lewis ..... September 117
Weigh Odor Control Methods Carefully, by Warren Viessman ..... September 94
Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959 — discussion on by Amos Turk ..... November 88
Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959 — author replies to comments by Amos Turk, November, 1959 ..... November 88
What Are the Economics of Supporting Pipelines Outside Plant Buildings? ..... February 98
What Are Flow Characteristics of Butterfly Valves, Dampers? ..... June 94
What Are the Qualifications for Becoming a Consulting Engineer? — Before Hanging Shingle, Aspiring Consultant Needs 8 Prerequisites, by Robert H. Emerick ..... January 114
What Are the Qualifications for Becoming a Consulting Engineer? — Must Develop 3 Basic Qualities: Integrity, Ability, Salesmanship, by Harry J. Scharres ..... January 114
What Causes Our Pipe Fittings to Fail? — Have Fluids Analyzed Chemically To Find Basis for Proper Treatment, by H. B. Wayne ..... May 94
What Causes Our Pipe Fittings to Fail? — Eliminate All Valves and Fittings of Dissimilar Metals; Install Deaerator, by R. J. Zablodil ..... May 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by C. I. Baker ..... October 94
What Causes Our Pipe Fittings to Fail? May, 1959 — discussion on by Walter Ott ..... June 90
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith ..... July 112
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 — discussion on by T. Robert Stevens ..... December 69
What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 — author replies to comments by T. Robert Stevens, December, 1959 ..... December 70
What to Consider When Selecting Globe and Gate Valves — (HPAC Engineering Data File), by Carl A. Dopp ..... April 141
What to Consider When Selecting Cocks and Plug Valves — (HPAC Engineering Data File) ..... August 123
What to Consider When Selecting Valves (HPAC Engineering Data File), by Carl A. Dopp ..... January 163
What to Do About Noise, Vibration In Water Piping Systems ..... March 133
What Is Best Induced Draft Fan Location? — Design to Eliminate Capacity Loss, Reduce Vibration, Minimize Noise, by H. B. Wayne April 96
What Is Best Induced Draft Fan Location? — Size, Type of Boiler Determine Best Induced Draft Fan Location, by Sheldon R. Higgins ..... April 96
What Is Best Induced Draft Fan Location? April, 1959 — discussion on by E. K. Campbell ..... July 85
What Is Correct Pump Head for Cooling Tower Piping? — Calculate Total Dynamic Head Using Bernoulli's Theorem, by H. B. Wayne ..... January 118
What Is Correct Pump Head for Cooling Tower Piping? October, November, and December, 1958 — discussion on by Joseph L. Pinter ..... June 90
What Is a Plenum? ..... May 96
What Price Speed? by Lester T. Avery ..... May 113
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Transmission Rate Depends on Vapor Pressure Difference, Inlet Distance, by William Walker ..... March 102
What Vapor Transmission Rules Apply When Planning for Dehumidification? January and February, 1958; March, 1959 — discussion on by H. P. Waechter ..... June 88
When Should Sight Glass Be Used In Refrigerant Circuits? by Lyle K. Huhn ..... March 99
Where Are the Fuels for Tomorrow's Heating Needs Going to Come From? by George W. Rusler ..... January 146
Where Are the Fuels For Tomorrow's Heating Needs Going to Come From? by George W. Rusler, January, 1959 — discussion on by John J. Schanz, Jr. ..... March 98
Which Should It Be — Closed or Open Specifications? ..... November 39
Who's Responsible for What in the Design and Installation of Air Conditioning Systems in Big Buildings? ..... July 116
Who Wants a Frosted Coil? by Lester T. Avery ..... April 109
Why Steam Coils Freeze, by H. W. Alyea, April and May, 1958 — discussion on by M. F. Lebowitz March 97
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? ..... March 100
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Ask Manufacturers of Ethylene Glycol Equipment to Recommend Inhibitor, by Gilbert Nellingann July 90
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Avoid Heating Anti-Freeze in Boiler; Should Use Separate Heat Exchanger, by Raymond W. Williams July 90
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Ethylene Glycol Solutions Usually Have Inhibitors Which Resist Corrosion, by H. B. Wayne ..... August 78
Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer? — Heat Transfer Rate Will be Lower; ASME Power Boiler Code Sets Rules, by J. W. Turner ..... July 88
Will Increased Boiler Water Temperature Cause Corrosion? ..... April 98
Will Redesigned Steam Header Using Same Welding Cap be Safe? ..... August 80
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — After Machining, Inspect Bevels for Stress Corrosion Cracking, by Helmut Thielsch ..... September 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Graphitization Should Be No Problem If 800 F Operation Is Intermittent, by John E. Brock September 84

Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Welded Joints Should Be Heat Treated To Protect Against Graphitization, by I. A. Rohrig ..September 84
Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Yes, If Welding Is Properly Done and Duration of 800 F Service Is Short, by Sabin Crocker ..September 82
Winning the Air Conditioning Odor Fight, Round 1: Know Your Nose —Your Nose Knows, by Albert B. Hubbard .....January 138
Winning the Air Conditioning Odor Fight, Round 1: Know Your Nose — Your Nose Knows, by Albert B. Hubbard, January, 1959 — discussion on by H. L. Barnebey February 91
Winning the Air Conditioning Odor Fight, Round 2: Estimate the Enemy's Strength, by Albert B. Hubbard .....February 119
Winning The Air Conditioning Odor Fight, Round 2: Estimate the Enemy's Strength, by Albert B. Hubbard, February, 1959 — discussion on by H. L. Barnebey .....March 97
Winning the Air Conditioning Odor Fight — Round 3: Know Your Enemy, by Albert B. Hubbard ..March 136
Winning the Air Conditioning Odor Fight — Round 4: It's Actually a Battle Royal, by Albert B. Hubbard .....April 118
Winning the Air Conditioning Odor Fight, Round 4: It's Actually a Battle Royal, by Albert B. Hubbard, April, 1959 — discussion on by H. L. Barnebey .....May 92
Winning the Air Conditioning Odor Fight, Found 4: It's Actually a Battle Royal, by Albert B. Hubbard, April, 1959 — discussion on by Amos Turk .....May 92
Winning the Air Conditioning Odor Fight — Round 5: Give Him Some Air! by Albert B. Hubbard ....May 123
Winning the Air Conditioning Odor Fight, Round 5: Give Him Some Air! by Albert B. Hubbard, May, 1959 — discussion on by H. L. Barnebey .....June 87
Winning the Air Conditioning Odor Fight — Round 6: Blows from Outside the Arena, by Albert B. Hubbard .....June 129
Winning the Air Conditioning Odor Fight, Round 6: Blows from Outside the Arena, by Albert B. Hubbard, June, 1959 — discussion on by H. L. Barnebey .....July 86
Winning the Air Conditioning Odor Fight — Round 7: The Knockout Blow, by Albert B. Hubbard ....July 137
Winning the Air Conditioning Odor Fight series, by Albert B. Hubbard, January — May, 1959 — discussion on by Warren Viessman .....June 88
Would Stainless Steel Coils Solves Oil Piping Problem? .....January 117
Wrought Iron, Wrought Steel Piping Standard Is 20 Years Old this Month, by H. H. George ....April 110

COMMERCIAL BUILDINGS

Apartments

Air Conditioning: "An Infant at the Threshold of a Glorious Future!" by Charles V. Fenn .....March 122

Directory of Addresses for Engineering Societies, Associations ..... May 121
How Much Heat to Temper Ventilation Air? by F. Caplan ..... February 121
Loudness Limits for Noise From Heating, Air Conditioning Equipment, by Howard C. Hardy ..... November 129
New Nomograph Converts Head into Its Equivalent Pressure, by F. Caplan ..... April 123
Pipe Welding Terms Defined, by Helmut Thielsch ..... October 125
Pipe Welding Terms Defined, by Helmut Thielsch ..... December 101
Steam Pipe Sizing Data ..... June 127
Steam Pipe Sizing Data ..... July 135
Steam Pipe Sizing Data ..... August 105
Steam Pipe Sizing Data ..... September 125
"Sweat Control" Nomograph Speeds Insulation Thickness Calculations, by Charles F. Gilbo ..... March 143

HPAC ENGINEERING DATA FILES

Air Force Conference Highlights Air Conditioning Operation and Maintenance ..... September 131
Air Pollution Control Demands Engineering Analysis, Design ..... February 140
Application of Cork Insulation to Cold Pipe Lines ..... May 139
Environmental Control Key to Success of the Manned Earth Satellite ..... October 151
High Intensity Infrared Radiant Heating ..... November 139
How to Control Gaseous Emissions to Abate Air Pollution ..... December 111
How to Control Particulate Emissions to Abate Air Pollution ..... June 137
How to Prevent Failures in Radiant Heating and Snow Melting Systems ..... March 153
Some Noise Control Fundamentals ..... July 141
What to Consider When Selecting Cocks and Plug Valves ..... August 123
What to Consider When Selecting Globe and Gate Valves, by Carl A. Dopp ..... April 141
What to Consider When Selecting Valves, by Carl A. Dopp ..... January 163

AUTHOR INDEX

Abramson, R. J.—Author replies to comments by R. A. Parsons, April, 1959 on Here's How to Figure Infiltration Due to Stack Effect, by R. J. Abramson, December, 1958 ..... April 93

Agee, E. V.—How Can Fan Be Cleaned?—Install Water Spray, Eliminator Section Between Process and Fan ..... June 94

Allen, Clayton H.—Control Air Conditioning Noise In the Advanced Planning Stage ..... October 103

Alyea, H. W.—discussion on How to Design Makeup Supply Air Systems for Freeze Protection, by John H. Clarke, April, 1959 ..... August 76

Alyea, H. W.—discussion on How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959 ..... September 79

Ambrose, E. R.—Many Ways to Use Heat Pump Cycle ..... August 90

Applegate, Jr., George—discussion on How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 ..... October 94

Ash, Robert S.—discussion on Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, by F. F. Stevenson, June, 1959 ..... September 79

Avery, Lester T.—Evaporative Condensers Guilty, Too ..... December 100

Avery, Lester T.—How to Fight a Slugger ..... June 103

Avery, Lester T.—Take a Good Look at Your Condenser; It May Be a Wolf in Sheep's Clothing ..... November 131

Avery, Lester T.—Tricks and Trends — Mistakes of the 20's Are Still Being Made ..... March 129

Avery, Lester T.—What Price Speed? ..... May 113

Avery, Lester T.—Who Wants a Frosted Coil? ..... April 109

Ayres, J. Marx—Oceanarium Simulates the Briny Via Elaborate Piping System ..... February 116

Ayres, J. Marx—Oceanarium Simulates the Briny Via Elaborate Piping System ..... March 146

Babcock, Arthur C.—Brookhaven Hospital-Lab Demands Close Temperature, Humidity Control ..... May 134

Baker, C. T.—discussion on What Causes Our Pipe Fittings to Fail? May, 1959 ..... October 94

Baker, C. T.—Case Histories — Almighty Dollar is Cause of Many Poor Air Conditioning Systems ..... March 151

Baker, C. T.—Case Histories from a Consulting Engineer's Files ..... August 100

Baker, C. T.—Case Histories — Cramped Quarters Will Make Maintenance a Real Chore March 152

Baker, C. T.—Case Histories — A New Low in What Not To Do When Designing Air Conditioning ..... March 150

Baker, C. T.—Case Histories — Not Enough Air To Insure Required Flow of Water ..... March 151

Baker, C. T.—Case Histories — Short-Cut Practices May Be Costly ..... March 152

Baker, C. T.—discussion on How to Design Refrigerant Piping, by W. C. Smith, July and August, 1959 ..... September 78

Baker, C. T.—discussion on Pressure Losses in Refrigerant Piping: What You Can Do About Them, by W. C. Smith, October, 1959 ..... November 87

Bane, Jack M.—How Can Leak Be Detected Under Concrete Floor Slab? — Inject Refrigerant into System; Expansion Will Cool Slab at Leak ..... February 96

Barnebey, H. L.—discussion on Winning the Air Conditioning Odor Fight, Round 1, by Albert B. Hubbard, January, 1959 ..... February 91

Barnebey, H. L.—discussion on Winning the Air Conditioning Odor Fight, Round 2, by Albert B. Hubbard, February, 1959 ..... March 97

Barnebey, H. L.—discussion on Winning the Air Conditioning Odor Fight, Round 4, by Albert B. Hubbard, April, 1959 ..... May 92

Barnebey, H. L.—discussion on Winning the Air Conditioning Odor Fight, Round 5, by Albert B. Hubbard, May, 1959 ..... June 87

Barnebey, H. L.—discussion on Winning the Air Conditioning Odor Fight, Round 6, by Albert B. Hubbard, June, 1959 ..... July 86

Barrett, James C.—discussion on What Are Limits of Slot Exhaust, by A. B. Epple, December, 1958 ..... June 89

Bayley, Harold—How Can Leak Be Detected Under Concrete Floor Slab? — Iodine Radioisotopes Added to Water Cause Gamma Radiation at Leak ..... February 94

Becker, R. H. L.—discussion on Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 ..... April 91

Becklund, L. N.—New Outer Space Cabin Lab To Supply Valuable Data for Design of Environment for Survival of Tomorrow's Space Pioneers ..... September 110

Behnke, A. R.—discussion on Swedish Air Raid Shelter Ventilation Designed for Atomic War Emergency, by Axel Rosell, September, 1958 ..... February 92

Bender, George M.—30 Air Conditioning Systems Keep Drug Production Rolling ..... March 138

Bishop, James C.—discussion on GE's 'Mill Water' Piping Saves $500,000 a Year, by John Vonderheide, December, 1958 ..... March 99

Bishop, James C.—discussion on High Temperature Water Heats New School, by J. S. Blossom, March, 1959 ..... June 89

Blossom, John S.—High Temperature Water Heats New School ..... March 109

Blossom, John S.—Author replies to comments by James C. Bishop, June, 1959 on High Temperature Water Heats New School, by J. S. Blossom, March, 1959 ..... June 89

Blossom, John S.—Author replies to comments by E. Jackson Whitman, May, 1959 on High Temperature Water Heats New School, by J. S. Blossom, March, 1959 ..... May 90

Blossom, John S.—discussion on How HTHW Meets Heating Needs of This New School, by Anton Krapek, August, 1959 ..... September 77

Boyd, Robert L.—discussion on Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 ..... January 109

Brock, John F.—Still Redesigned Steam Header Using Same Welding Cap Be Safe? — Graphitization Should Be No Problem if 800 F Operation Is Intermittent ..... September 84

Brock, Robert H.—How to Trouble-Shoot Regulating Valves ..... May 132

Brodsky, Julius—How Can I Figure Supports for a Horizontal Tank? — Locate 2 Supports at Points Where Bending Stresses Will be Minimum ..... December 72

Brown, W. A., and R. Lester Spitzley—Contractor Observes "Quiet" In Installing Hospital Cooling ..... August 108

Buck, W. B.—discussion on Here's a New, Quick Way to Select Chilled Water Coils, by Bruno P. Morabito and William Conroy, January, 1959 ..... February 90

Busch, C. James—Controlling 100 Percent Outdoor Air Systems with Electronic Controls ..... August 119

Campbell, E. K.—discussion on What Is Best Induced Draft Fan Location, April, 1959 ..... July 85

Caplan, F.—How Much Heat To Temper Ventilation Air? February 121

Caplan, F.—New Nomograph Converts Head Into Its Equivalent Pressure ..... April 123

Christman, Herbert H.—Environmental Control Key to Success of the Manned Earth Satellite — (HPAC Engineering Data File) ..... October 151

Chovanec, J. J.—discussion on New Cars Get Paint Jobs Via 25 Miles of Silver Brazed Lightweight Piping, November, 1958 ..... January 112

Clarke, John H.—Industrial Ventilation: How to Design Makeup Supply Air Systems for Freeze Protection ..... April 125

Clarke, John H.—Industrial Ventilation: How to Design Freeze Protection For Makeup Supply Air Systems ..... May 125

Clarke, John H.—Industrial Ventilation: How to Design Freeze Protection for Makeup Supply Air Systems ..... June 104

Clarke, John H.—Author replies to comments by H. W. Alyea, September, 1959 on How to Design Freeze Protection for Makeup Supply Air Systems, by John H. Clarke, May, 1959 ..... September 80

Clarke, John H.—Author replies to comments by R. J. Coughlin, Jr., May, 1959 on Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958 ..... May 92

Clarke, John H.—Author replies to comments by K. E. Robinson, January, 1959 on Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958 ..... January 111

Clarke, John H.—Author replies to comments by K. E. Robinson, July, 1959 on How to Design Makeup Supply Air Systems for Freeze Protection, April, 1959 ... July 85
Clarke, John H.—discussion on B. R. Small's comments, February, 1959, on Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke, November, 1958 ... March 97
Clock, Stanford E., and W. Joseph Stanley—Varied Central Systems Cool, Heat, Ventilate New Boston Globe Plant ... February 101
Collins, Jr., John F.—NDHA Observes 50th Year; Recounts Industry's Status at Golden Anniversary Meeting ... September 100
Conroy, William, and Bruno P. Morabito—Here's A New, Quick Way To Select Chilled Water Coils ... January 156
Coughlin, Jr., R. J.—discussion on Industrial Ventilation: How to Design for Heat Recovery, November, 1958, by John H. Clarke ... May 91
Crocker, Sabin—Will Redesigned Steam Header Using Same Welding Cap Be Safe? — Yes, If Welding is Properly Done and Duration of 800 F Service is Short ... September 82
Dexter, C. W.—How Can Fan Be Cleaned? — Why Not a Permanent Steam Connection to Fan for Daily Cleaning ... June 92
Di Lorenzo, Antonio—How Can I Figure Supports For a Horizontal Tank? — Locate Supports for Lowest Moments, Lowest Stresses on Tank ... October 96
Dopp, Carl A.—What to Consider When Selecting Globe and Gate Valves (HPAC Engineering Data File) ... April 141
Dopp, Carl A.—What to Consider When Selecting Valves (HPAC Engineering Data File) ... January 163
Fiber, Rollin R., and William S. Rogers—HTHW Serves Process Heating, Comfort Needs of New Plant ... October 109
Elbaum, Irving—Do You Appreciate Depreciation? ... January 150
Ellis, H. B., Norma Schmidt, Edward R. Watkins—Computer Program KO's Stress Problems in Designing High Temperature Piping Systems ... December 87
Emerick, Robert H.—What Are the Qualifications for Becoming a Consulting Engineer? — Before Hanging Shingle, Aspiring Consultant Needs 8 Prerequisites ... January 114
Epple, A. B.—Author replies to comments by James C. Barrett, June, 1959 on What Are Limits of Slot Exhaust, by A. B. Epple, December, 1958 ... June 90
Fenn, Charles V.—Air Conditioning: "An Infant at the Threshold of a Glorious Future" ... March 122
Flanagan, Robert W.—High Velocity Induction System Solves Hospital's Cooling Problems ... April 114
Flanagan, Robert W.—Author replies to comments by J. A. Millard, July, 1959, on High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 ... July 83
Flanagan, Robert W.—Author replies to comments by Daniel M. Roop, August, 1959 on High Velocity Induction System Solves Hospital's Cooling Problems, by Robert W. Flanagan, April, 1959 ... August 74
Flannagan, Stephen G.—How Can Leak Be Detected Under Concrete Floor Slab? — Don't Pump Water; Let Radioactive Substance Explore Its Way Out ... February 98
Flook, Lyman R.—Steam Metering, Billing Procedures Pay Off in U. of C. Heating Plant ... December 96
Flook, Lyman R.—U. of C. Central Plant Marks 30 Years of Reliable, Low Maintenance Heating, a Testimonial for Sound Engineering ... November 97
Freyder, G. G.—discussion on Use Electricity or Oil to Heat This School? Here are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 ... June 87
Friedman, Melvin H.—Flame Failure System Switches Boiler Auxiliaries to Steam Operation ... August 110
Gelvin, William M.—How Can Fan Be Cleaned? — Use Low Pressure Steam, Since 383 Ammonia is Water Soluble ... June 94
George, H. H.—Revise ASA Butt Welding Standards To Simplify Layout, Fabrication of Piping Systems ... February 123
George, H. H.—Wrought Iron, Wrought Steel Piping Standard Is 20 Years Old this Month April 110
Gilbo, Charles F.—"Sweat Control" Nomograph Speeds Insulation Thickness Calculations ... March 143
Glasier, Robert S.—Wide Functional Needs of Orphanage Met by Variety of Heating Methods ... July 99
Goes, Richard W.—Design Electronic Data Processing Installations for Reliability ... September 118
Gusler, Denard L.—Author replies to comments by Robert L. Boyd, January, 1959 on Use Electricity or Oil to Heat School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 ... January 110
Gusler, Denard L.—Author replies to comments by G. G. Freyder, June, 1959 on Use Electricity or Oil to Heat This School? Here Are Actual Cost Comparisons, by Denard L. Gusler, October, 1958 ... June 87
Habjan, John W.—Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings with Architectural, Structural, Electrical, and Plumbing Items ... January 153
Habjan, John W.—discussion on comments by H. J. Scharres, February, 1959 on Heating, Ventilating, and Air Conditioning Check Lists for Coordinating Drawings, by John W. Habjan, January, 1959 ... April 94
Haines, Roger W.—discussion on Many Ways to Use Heat Pump Cycles, by E. R. Ambrose, August, 1959 ... November 90
Hammer, Willie—Author replies to comments by R. H. L. Becker, April, 1959, on Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer, December, 1958 ... April 91
Hammer, Willie—Author replies to comments by J. V. Resek, May, 1959 on Fuel Oil: What Every Heating Engineer Should Know, December, 1958, by Willie Hammer ... May 91
Hammer, Willie—discussion on Fuel Oil Piping Design Factors Found in "Tobacco Housing" Tests, by John W. McKay, August, 1959 ... November 89
Hanson, L. P.—How Can Fan Be Cleaned? — Investigate Possible Preventives, such as Water Wash System ... June 94
Hardy, Howard C.—Recommended Loudness Limits for Noise From Heating, Air Conditioning Equipment ... November 129
Hartley, Amos B.—Design Jet Bomber Environment for Wide Temperature, Pressure Extremes ... September 102
Heckel, E. P.—discussion on Design Jet Bomber Environment for Wide Temperature, Pressure Extremes, by Amos B. Hartley, September, 1959 ... December 70
Hess, Arthur J.—discussion on How to Design Controlled Environment for Best Greenhouse Growing Conditions, by Lewis Smith, December, 1958 ... January 111
Higgins, Sheldon R.—What Is Best Induced Draft Fan Location? — Size, Type of Boiler Determine Best Induced Draft Fan Location ... April 96
Hillyer, William Hurd—Change Orders, Incomplete Records Cost Contractor Half His Claim ... January 162
Hillyer, William Hurd—Contract Must Clearly Define Title ... March 142
Hillyer, William Hurd—Contractor Ekes Out Close Decision ... April 134
Hillyer, William Hurd—Contractor's Neglect Costs Him Plenty ... February 138
Hillyer, William Hurd—Hold Up Your End of the Bargain — Or Be Sued for Nonfulfillment ... June 126
Hillyer, William Hurd—Too Many "Cooks" May Botch the Job ... July 132
Hoffman, C. M. E.—How Can Leak Be Detected Under Concrete Floor Slab? — Failure of Sonic Detector Indicates Leak Is Small, Flow Is Laminar ... February 97
Holmes, Foster W.—New, Revised ASTM Specifications Aid Users of Steel Welding Fittings ... June 120
Hsiao, K. Hao—Calculating Contraction Stresses in Missile Piping Systems ... October 122
Hsiao, K. Hao—Calculating Pipe Stress Efficiently ... September 106
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight — Round 1: Know Your Nose — Your Nose Knows ... January 138
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 2: Estimate the Enemy's Strength ... February 119
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 3: Know Your Enemy ... March 136
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 4: It's Actually a Battle Royal ... April 118
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 5: Give Him Some Air! ... May 123
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 6: Blows from Outside the Arena ... June 129
Hubbard, Albert B.—Winning the Air Conditioning Odor Fight, Round 7: The Knockout Blow ... July 137

Huhn, Lyle K.—When Should Sight Glass Be Used in Refrigerant Circuits? ..... March 99
Hurstad, R. G.—Packaged Units Cool 33-Year-Old, 11-Story Office Building ..... August 85
Hynes, Lee P.—discussion on Poor Maintenance by Owners: The Bane of Our Reputations, December, 1958 ..... January 112
Ingram, Donald F.—How Can Leak Be Detected Under Concrete Floor Slab? — Introduce Radioactive Substances; Trace Piping with Geiger Counter ..? ..... February 97
Innes, George A.—Fan-Coil Units' Flexibility Is Key to Heating, Cooling Plush Apartment ..... December 84
Isaacson, Jr., Irwin, and William R. Pitcairn, Jr.—Choose Central Plant, Buried Piping To Air Condition Three-Area Campus ..... April 101
Kardos, Peter—How Can Fan Be Cleaned? — Use Noncorrosive Chemical Solvent; Consider Filtering Air Stream ..... June 94
Kearsley, G. W. T.—How Can Leak Be Detected Under Concrete Floor Slab? — Radioactive Tracer Is Answer; But User Must Be Licensed by AEC ..... February 96
Klapper, J. A.—discussion on How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend, December, 1958 ..... February 91
Koerner, William B.—Heat, Ventilate New High School Campus Many Different Ways ..... December 108

Smith, Lewis—Shipboard Air Conditioning Design Is Based on Unusual Considerations October 114
Smith, Lewis—What Central Control for Steam Heating Can and Cannot Do July 112
Smith, Lewis—Author replies to comments by T. Robert Stevens, December, 1959 on What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 December 70
Smith, W. C.—How to Design Refrigerant Piping July 106
Smith, W. C.—How to Design Refrigerant Piping August 116
Smith, W. C.—Pressure Losses in Refrigerant Piping: What You Can Do About Them October 138
Spitzley, R. Lester, and W. A. Brown—Contractor Observes "Quiet" In Installing Hospital Cooling August 108
Stahle, Robert J.—How Can Leak Be Detected Under Concrete Floor Slab?—First Determine What Caused Leak; This May Be Key to Finding It. February 98
Stanley, W. Joseph, and Stanford E. Clock—Varied Central Systems 'Cool, Heat, Ventilate New Boston Globe Plant February 101
Stevens, T. Robert—discussion on What Central Control for Steam Heating Can and Cannot Do, by Lewis Smith, July, 1959 December 69
Stevenson, F. F.—Evaluate Sensible, Latent Heat Gains For Close Temperature, Humidity Control June 131
Stevenson, F. F.—Author replies to comments by Robert S. Ash, September, 1959, on Evaluate Sensible, Latent Heat Gains for Close Temperature, Humidity Control, June, 1959, by F. F. Stevenson September 79
Stevenson, F. F.—Now's the Time to Brush Up on Your Hot Water Heating Fundamentals September 115
Stevenson, F. F.—Now's the Time to Brush Up on Your Hot Water Heating Fundamentals October 118
Sticha, E. A.—discussion on Weld Probe Sampling Programs of Graphitized Piping Are Still Your Best Guarantee of Safety, by Helmut Thielsch, March, 1959 July 85
Stiggleman, James H.—A Giant Step Toward Standardization: SMACNA's Sheet Metal Duct Manual November 106
Stiggleman, James H.—A New Standard for Ductwork Design, Installation: SMACNA's Sheet Metal Duct Manual December 92
Taylor, N. J.—Group Many Central Built-Up Systems to Heat, Ventilate New Chrysler Plant January 140
Terry, Jr., Thomas S.—How Can Leak Be Detected Under Concrete Floor Slab? Quick Slab—Temperature Change Will Create Condensation, Reveal Leak February 97
Thielsch, Helmut—discussion on Carbon Steel Has Its Problems Too; When Piping Steam at 800 F, by I. A. Rohrig, June, 1959 August 74
Thielsch, Helmut—New Consumable Insert Ring Extends Use of Inert-Gas Tungsten-Arc Pipe Welding, Solves Bubbling, Porosity Problems in Joining Carbon Steel November 132
Thielsch, Helmut—Pipe Welding Terms Defined October 125
Thielsch, Helmut—Pipe Welding Terms Defined December 101
Thielsch, Helmut—Weld Probe Sampling Programs of Graphitized Piping Are Still Your Best Guarantee of Safety March 116
Thielsch, Helmut—Author replies to comments by E. A. Sticha, July, 1959 on Weld Probe Sampling Programs of Graphitized Piping Are Still Your Best Guarantee of Safety, March, 1959 July 84
Thielsch, Helmut—Will Redesigned Steam Header Using Same Welding

Cap Be Safe? After Machining, Inspect Bevels for Stress Corrosion Cracking ..... September 84
Thomas, H. F.—discussion on How Can Fan Be Cleaned? June, 1959 ..... July 86
Thornley, J. L.—Corrective Water Treatment Prevents Scale Deposit, Corrosion in Water Cooled Air Conditioning Systems ..... August 112
Tracy, W. E.—Fan Noise in Air Conditioning: Let's Get the Facts Straight ..... February 136
Trickler, C. J.—How Can Fan Be Cleaned?—Install Fan with Fewer Blades; They Will Wipe Themselves Clean ..... June 92
Turk, Amos—discussion on Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959 ..... November 88
Turk, Amos—discussion on Winning the Air Conditioning Odor Fight, Round 4; by Albert B. Hubbard, April, 1959 ..... May 92
Turner, J. W.—Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer?—Heat Transfer Rate Will be Lower; ASME Power Boiler Code Sets Rules ..... July 88
Vaugle, Henry—Waste Heat Recovery System Keeps Arctic Outpost Warm ..... February 130
Viessman, Warren—Weigh Odor Control Methods Carefully ..... September 94
Viessman, Warren—Author replies to comments by Amos Turk, November, 1959 on Weigh Odor Control Methods Carefully, by Warren Viessman, September, 1959 ..... November 88
Viessman, Warren—discussion on Airborne Condensation Droplets, Ions May Be Important Health Factors, May, June, and July, 1959, by Karl E. Schaefer ..... August 75
Viessman, Warren—discussion on the series, Winning the Air Conditioning Odor Fight, by Albert B. Hubbard, January—May, 1959 ..... June 88
Vinther, P. N.—discussion on Air Force Conference Highlights Air Conditioning Operation and Maintenance, September, 1959 November 88
Vogel, Carl H.—PVC Piping Proves Maintenance-Free In Chemicals Plant ..... January 143
Vonderheide, John—Design 'Around' Production Equipment To Heat High Level Industrial Plant ..... April 106
Waechter, H. P.—discussion on What Vapor Transmission Rules Apply When Planning for Dehumidification? January and February, 1958 and March, 1959 ..... June 88
Walker, William—What Vapor Transmission Rules Apply When Planning for Dehumidification?—Transmission Rate Depends on Vapor Pressure Difference, Inlet Distance ..... March 102
Watkins, Edward R., H. B. Ellis, and Norma Schmidt—Computer Program KO's Stress Problems in Designing High Temperature Piping Systems ..... December 87
Wayne, H. B.—discussion on How Can Fan Be Cleaned? June, 1959 ..... July 85
Wayne, H. B.—How Can I Figure Supports For a Horizontal Tank?—Two Supports Are Enough; More Might Present Stress Problem ..... October 96
Wayne, H. B.—How Can Leak Be Detected Under Concrete Floor Slab?—Suggest Using Dye, Fluorescent, Oil-and-Whiting, Ultrasonic Methods ..... February 96
Wayne, H. B.—How Much Heat for Dry Kilns?—Presents Equations for Estimating Heat Required to Satisfy Conditions ..... November 92
Wayne, H. B.—What Is Best Induced Draft Fan Location?—Design to Eliminate Capacity Loss, Reduce Vibration, Minimize Noise April 96
Wayne, H. B.—What Causes Our Pipe Fittings to Fail?—Have Fluids Analyzed Chemically To Find Basis for Proper Treatment ..... May 94
Wayne, H. B.—What Is Correct Pump Head for Cooling Tower Piping?—Calculate Total Dynamic Head Using Bernoulli's Theorem January 118
Wayne, H. B.—Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer?—Ethylene Glycol Solutions Usually Have Inhibitors Which Resist Corrosion ..... August 78
Whitman, E. Jackson—discussion on High Temperature Water Heats New School, by J. S. Blossom, March, 1959 ..... May 89
Williams, Raymond W.—Will Anti-Freeze Harm Boilers, Greatly Affect Heat Transfer?—Avoid Heating Anti-Freeze in Boiler; Should Use Separate Heat Exchanger ..... July 90
Yuknis, E.—discussion on New Methods Speed Design of Pipeline Loops, by Louis E. Partch, July, 1959 ..... November 89
Zablodil, R. J.—How Can Leak Be Detected Under Concrete Floor Slab?—Variations in Vapor Transfer Rates May Be Key to Locating Pipe Leak ..... February 94
Zablodil, R. J.—What Causes Our Pipe Fittings to Fail?—Eliminate All Valves and Fittings of Dissimilar Metals; Install Deaerator ..... May 94
Ziel, H. E.—Locate Industrial Air Handling Systems For Efficiency, Easy Maintenance ..... March 118
